Mission Groups...

Our Wednesday night schedule allows families to begin and end together. Our meals run from 5:15-6:30pm. At 5:55pm, children head to their choirs while the adults get some quiet time during dinner before Bible study. Children are then escorted to Mission Friends or RA's and GA's while adults head to Bible study. Everything ends at the same time so families can leave together.

Mission Friends (Ages Three-Kindergarten)

This program is for children ages three through five.

When young children participate in Mission Friends they gain a foundation for a beginning understanding of missions.

RA's and GA's (1st-5th Grade)

These programs are for children grades first through fifth. In RA's and GA's, children learn how to become a Christian and grow in their faith. They will also learn new ways to share the gospel and become involved in exciting mission projects.

All classes end at 7:15pm.

This way, your children are on the same schedule as you.
