Solo Pastor Opening

Hillside Alliance Church (Ithaca, NY)

Hillside Alliance Church is located in the suburbs of Ithaca, NY, a community of about 32,000 people. Ithaca is situated in the Finger Lakes region of Upstate New York and is home to Cornell University and Ithaca College. We are seeking a discipleship oriented full-time pastor to help lead our congregation with visitation and the outreach necessary to promote growth and attract the younger generation. Potential candidates should have a heart for missions with a strong devotion to prayer and preaching. We know that there are opportunities in our community and area to reach new people and bring them into our fellowship and the church of Christ. Hillside Alliance Church has a foundation of mature believers dedicated to prayer, with Sunday worship service attendance ranging between about 30 to 40. Our parsonage is located on the church property and has recently been remodeled. An updated salary and benefits package reflects fair compensation for the region.
