Wiggle Room

We have opened up the preschool room during the 11 am service for parents and kids to use to “wiggle around.” We are live-streaming the sermon and providing some activities for the little ones to keep busy. Parents are responsible for supervising their own kids in this room, as we will not have volunteers available.

We are hiring!

The church is seeking an additional custodian to work up to 10 hours a week on Tuesday and Thursday mornings. Interested applicants can send their resume to trustees@calvarybaptistchurch.ca, or speak to Patrick Bondy for more information about the position.
