Wiggle Room

We have opened up the preschool room during the 11 am service for parents and kids to use to "wiggle around." We are live-streaming the sermon and providing some activities for the little ones to keep busy. Parents are responsible for supervising their own kids in this room, as we will not have volunteers available.

Kaleō

Real-time language translation is available during our services. Use the QR code below to start listening in Farsi, French, Mandarin, Portuguese, Spanish, or Tagalog.

Members' Business Meeting – November 29th

Our next members' meeting will be on Sunday, November 29th at 1:30 pm. Have your lunch and then join us. Agendas have been posted at the church exits, the back sanctuary bulletin board and distributed by email. If you have any questions, email the elders at elders@calvarybaptistchurch.ca.
