Advent Worship Celebration
“Hope Of The World”

Today’s Message:

“For in hope we have been saved, but hope that is seen is not hope; for who hopes for what he already sees?” Romans 8:24 (ESV)

After celebrating Thanksgiving, we now begin our focus on the four aspects of advent for which we can be thankful, hope, peace, joy and love. As the Advent begins, the time when we look forward to the first coming of the Messiah, we begin with the focus on the fact that God wants us to be filled with Hope. During this season of the year, we will examine the different aspects of the Christian faith. We look first at the Old Testament declarations of Jesus’ first coming and the fulfillment of those promises by the zeal of the Lord, which brings us hope. Then, we will look to the promise of His second coming and the hope we have in Christ in these turbulent times because of the hope we have in Christ. That hope was brought about by the Love of God. God uses His Son to provide the hope and His Spirit to seal that hope in His abounding and proven love. We pray that you will focus on the hope found in Jesus Christ’s eternal love for you this season.
