“Grafted In”

Today’s Message:

“But when the Jews saw the crowds, they were filled with jealousy and began to contradict what was spoken by Paul, reviling him.” Acts 13:45

We continue today as we examine how it is that Gentiles were brought into the salvation of the Lord. While it may seem harsh that God has hardened some of those who seemed to seek the Lord, it is because they sought Him by and through their own works and not in faith, allowing God’s grace to direct them. Even in this, He has saved a remnant who were faithful and trusted in what God had done, instead of their own works. The benefit of this is that it opened the way for the Gentiles to be grafted in and to become, as it were, “Children of Abraham”, who were not his children by genealogical means. It was Israel who had seen God’s power displayed, and yet they failed to trust Him. Time and again, He saved them from their own devices and then when the Son comes, they reject His grace and deny the covenant He had made with them. Thankfully, we can know that because of their failure, we can be grafted in through the grace of God in Christ Jesus.
