

Sunday Worship Celebration
The Sacred Words of Christ - "A Ministry of Miracles"

Today's Message:

So, faith comes from hearing, and hearing through the word of Christ."
Romans 10:17

We ended the Words of Christ last week with the four warnings given by Jesus to the Israelites that they should heed His words and obey by faith what they have been told. Jesus spoke as one who had authority, because He was the author of all that exists and the author of the very words they were to follow. Now in His ministry He would show deeds of love and compassion to demonstrate through these various miracles that He was the Christ, the Messiah, and the Son of the living God. Examples included healing the servant of a Gentile Centurion and acknowledging the Centurion's faith. It also included bringing back from the dead a young boy, the only son of a widow as they were bringing him to be buried. Often we face difficulties which test our faith. He may choose to heal or He may not, but each test is to bring Him the greatest glory and us the greatest good.
