10:30am Morning Worship Celebration: In our study time today, we will look at the opening of the last, or seventh seal by the Lamb in Revelation chapter 8. We have seen the first four seals opened and the riders on the four horses marching forth to conquer, remove peace, cause famine and kill with a sword. Then we saw the fifth seal opened and the martyrs beneath the throne crying out for justice and given white robes until the time is complete. After this we saw the sixth seal opened and the prophecies of natural peril come about with the Sun, the moon and stars. Finally, we saw the sixth seal opened and the sealing of the 144,000 and the great multitude in white robes. Now, the seventh seal is finally opened and there is an interlude or pause in heaven for a half hour. John sees the seven angels with the trumpets and the great tribulation is about to begin. We will also look at the importance of the prayers of believers.
