

Good afternoon KCOC!

What a week it has been. If you're like me you've been watching, reading, and learning this week about COVID-19. As promised, the elders and I have continued to closely monitor the information and how it is impacting our area. We've spent hours talking and listening to people who know the facts. We have strived to act wisely for the good of our church family and community while not reacting out of fear.

Toward that end, out of an abundance of caution, and in consideration of the health and well-being of all of our members and community, **we are canceling all classes and worship services tomorrow, March 15, and all of next week through March 21.**

### **What Do I Do About Tomorrow?**

**You are invited to join me for a special Facebook Live at 10:30am.**

I have asked several medical professionals to join me for a discussion about COVID-19. During that Facebook Live panel discussion we will provide reliable information to combat misinformation and fear. We will talk about how we live as God's people in times like this. **Please join us!** (You can do this through our Facebook page.)

### ***Some other ideas:***

\*\*The Journey Through John Devotional Guide is available for you or your family. I sent this out last week and it is also on our website under the sermon audio page.

\*\*We have a RightNow Media subscription that you can use at home any time! You might want to find something there for a time of worship tomorrow at home.

### **What About Communion?**

If you would like to take communion you can pick up supplies at the building from 9:00-10:00 in the morning at the church building. Kent and Joy Wilson will be on the large parking lot side of the building under the awning to meet you and make sure you have the supplies you need.

We realize this decision will come as a relief to some of you and a disappointment for others. We want you to know that this has been a hard decision for us. We trust that you'll give us grace as we figure this out along with you and try to make wise decisions. Please also help spread the word about these changes to those who might not receive this message.

May the peace of Christ be in your hearts and minds.

Doug
