

February 2026 Preschool News

Private Registration for currently enrolled families is closing soon.

Please return the choice form for enrollment. If you are unsure... this is your opportunity to let me "pencil" you in; you can give me an answer next month. If the class is getting to the limit, I will ask you to decide to enroll or give up the space. This is the early chance to reserve a space for the 2026-2027 preschool year and/or the summer session. Registration will be open to the public on February 19th.

The annual re-enrollment fee is \$200. A deposit and the form will be needed in order to secure your space for this new school year. If you are not returning for the next school year but would like to have a space in the summer program, return the form with a \$50 holding fee which you can deduct from June tuition.

Valentine's Day Parties on February 13th

Valentine's Day party sign-up will be organized via your class teacher. Also remember that we cannot accept homemade items to eat at school. Also, teachers will provide a class list with names for the Valentine exchange. Your child may deliver a Valentine to other classes and friends as well.

Sign-up for parent-teacher conferences. Please let us know when you would like a brief conference: in-person, drop off or pick up, or facetime, Remind note or phone call. It's important that you are in contact with your child's teacher about his/her development.

A few more important things:

Weekly themes this month include Dental Health, Presidents, Love/Valentines, Favorite Books Unit, and Rhymes. The character traits for February are honesty and trustworthiness.

*Blessings and Valentine's love to each of you!
Lisa Fowler*
