## March 2026 News

### **2026-2027 Registration**

Registration is now open to the public. To save your child's spot for the summer or for the fall please return the registration form. Having a fellow preschool in town close its doors at the end of May has led many families to our way. We are very excited to have new friends join our family. This is what St. Matthews is about! **Helping those in need.**

Please sign up for a parent teacher conference. This is a very important time in your child's life, and we want to always keep communication open, and parent-teacher be on the same page. This could be just a quick chat at drop off or pick up.

### **Chili Cook-off & Low country Boil**

Both Fund Raisers were a great success. We have many more projects for our outdoor learning area, and these funds will help get them completed. To all those that made chili, donated goods, or bought tickets, **Thank You** for helping to support Our school.

### **Important reminders**
