We will have an **Easter Parade** followed by an **Easter Egg Hunt** and ending with **Lemonade and cookies on the lawn, Thursday April 2nd**. If any parents or grandparents would like to help with these activities it would be appreciated. We also need plastic eggs and candy for the hunt. For the parade the children will walk along the sidewalk. You are welcome to come sit or stand in the circle drive; it will be blocked off.

Teaching preschool can be very exciting and rewarding but it can also be very demanding! St. Matts teachers are loving, kind, and very dedicated to your children. Please take the time to show them they are very appreciated. I love each one and they are amazing teachers.

~If you haven't already, turn in your Pre-Registration Form for the summer session and for the 26/27 school year they are due now. Spaces are filling up for summer and fall.

Please Don't forget that we will be taking donations for Animals for the whole month of April and Please have your pets spayed or neutered.

Blessings and love to each of you!
