

July News 2018

SLIDE INTO SUMMER READING, sponsored by Quality Counts, is designed to keep children reading through the summer months. Your child has been given a reading sheet to record the minutes books are read *away* from preschool. Please return your minutes from June and start using the July form. PLEASE READ and record minutes. The minutes will be counted and combined. We will celebrate with a school wide party at the end of the event!

Remember, as stated in your Family Handbook, please do not let your child bring toys or unnecessary personal items from home. These items can get passed around and create a problem for your child or others. There are ample learning toys and activities to keep each child busy and most often the centers include lessons that we prefer they use. If a special day is planned, it will be written on a handout or daily note home.

Mishaps happen!

Check that your child has at least one complete extra set of clothes in the classroom.

Remember that tuition is due on July 2nd. We accept cash, check or automatic banking checks. Please place your payments in the mailbox at the preschool office. Checks should be made to St. Matthew's Preschool.

(For your banking needs, our address: 101 St. Matthews Lane, Spartanburg, 29301.)

TRAIT: Fairness & Responsibility

Week 5 July 2 - Red, White and Blue (Patriotic)

Week 6 July 9 - Extreme Art

Week 7 July 16 - Beach

Week 8 July 23 - Camping

Week 9 July 30 - Outer Space

Week 10 August 6th is our last summer week. The theme is construction.

Please note that we are closed on July 4th.

Love and Blessings,
Barbara Coleman
