Location: 1220 Basil Road, Swansea, SC

Cell Phone: 803.269.0928 or 803.542.2540

Coordinates: 33.71849° North, 81.02537° West

Directions: from Lexington following Hwy 6 East (S Lake Drive East)

*Take Highway 6 (S Lake Drive) East toward Swansea

*Follow Hwy 6 through Red Bank down to Swansea, SC.

****Highway 6 will change names several times****

*When you enter Swansea (**there are only two traffic lights in Swansea**)

1) Turn left at first traffic light onto Highway 321/Highway 6

2) Turn right at next traffic light to continue on Highway 6

*Approximately two miles from the last traffic light out of Swansea, turn right onto Basil Road. **Look for an older gas station (Swansea Automotive) on your right at the corner of Hwy 6 and Basil Road.**

*Drive approximately three miles down Basil Road where you will turn right onto our driveway. A wooden fence marks our driveway entrance. The house number (1220) is on the corner fence post. Our house is not visible from the driveway entrance; however, for extra identification, there will be balloons attached to our mailbox.

Parking: Once you cross a small berm down our driveway, you will see our house. As you approach the house off to the right there is an equipment shed. Park anywhere in front of that shed. Feel free to drive up to the house if you need to drop off food, chairs, or family rather than walk and carry these items down to the house.

Bring folding chairs if you can. We will have a few canopy tents and tables set up near the house. Food will probably be set up inside the house to protect it from the elements (including bugs). Coolers for drinks will be setup in the garage.

The Youth are planning an Easter Egg Hunt and other activities.

We also have available for use:

a) an inground pool. (bring your swim wear if you choose to swim)

b) a trampoline

c) a climbing dome

Parents are responsible for watching their children.

There is on-going construction on I-26 East starting at Exit 119 and extending through Exit 139. If you prefer to avoid the construction, follow the directions for I-26 East to Exit 115 Traffic sometimes backs up along I-26 on Sunday afternoons especially where I-26 reduces from 3 lanes to two lanes at exit 125.

Directions: I-26 East to Exit 129 (through construction areas)

*Take Exit 129 off I-26 East and turn right onto Hwy 21 East

*Take first right onto Calvary Church Road (probably less than 350 feet along Hwy 21).
(Stay on hardtop surface road no matter what your GPS tells you.)

*Approximately 5 miles down Calvary Church Road is a STOP sign. Continue straight across (you are crossing Hwy 6) to staying on Calvary Church Road. After crossing Hwy 6, you will see Calvary United Methodist Church on your right.

*Stay on Calvary Church Road for approximately two miles. There is a very sharp curve along Calvary Church Rd so take it slow when approaching curve.

*At the end of Calvary Church Rd is a STOP sign. Turn left onto Basil Road. Our driveway will be on your right about a fourth mile from that stop sign.

*Turn right onto our driveway. A wooden fence marks the driveway entrance. The house number (1220) is on the corner fence post. Our house is not visible from the driveway entrance; however, for extra identification, there will be balloons attached to our mailbox.
