

## Search Team Announcement

November 20, 2018

Dear Centennial,

As your Search Team, we have prayerfully, diligently and collectively sought to recognize and respond to the presence and activity of God regarding our next Lead Pastor. We are deeply grateful that your prayers for God's provision throughout this process have been answered!

After six months of spiritual discernment, we are united in our belief and excited in our hearts that God has led us to Karl Helvig - a man who has the faith, character and gifts to fulfill this ministry's purpose, qualifications and responsibilities described in the Lead Pastor Ministry Description, based on the New Testament and Centennial Covenant Church's Bylaws (Article V, Section 3).

**Therefore, we enthusiastically and unanimously recommend Karl as the Pastoral Candidate for the active members of Centennial Covenant Church to consider calling as Lead Pastor!**

Centennial's Council of Elders will schedule a congregational meeting for early January where this recommendation will be presented, discussed and voted on. Notification of the date for that congregational meeting will be presented by the Council of Elders within the next two weeks. Please pray for Karl, yourself and our entire congregation as we approach this very important day.

We also plan to host a few gatherings in early January, prior to the congregational meeting, to provide an opportunity for you to spend some meaningful time with Karl.

For those who would like to learn more about our process and decision, we will share some of that information via email within the next two weeks.

Thank you again for your prayerful support. We needed it and we felt it!

Your Search Team,

Myrna Beblavi  
Linda Birch (Elder Representative)  
Robert Calbeck  
Steve Logan (Team Leader)  
Doug Parker (Elder Representative)
