

HOLMESWOOD'S STAGES OF RE-ENTRY

Keeping our church community safe during COVID-19

STAGE ONE (CURRENT)

Office staff and people needed for Worship presentation work in building, while maintaining physical distancing and appropriate cleaning. All in-person gatherings suspended.

When do we move from Stage 1 to Stage 2?

When there is a Plateau or Decline of newly diagnosed COVID-19 cases for a minimum of 3 weeks as reported by Kansas City Health Department.

STAGE TWO

Staff, vendors, and administrative workers can return to the office. Appointments to meet with staff can be arranged. Regular cleaning of spaces and deep cleaning of building will take place as we prepare for Stage 3.

When do we move from Stage 2 to Stage 3a or back to Stage 1?

When there is a Plateau or Decline of newly diagnosed COVID-19 cases for an additional 3 weeks, we will move to Stage 3a. If there is an increase of newly diagnosed COVID-19 cases for an additional 3 weeks, we will move back to Stage 1.

STAGE THREE

- 3a. Limited corporate worship opportunities in the Sanctuary may begin.
- 3b. Small ministry groups may begin meeting on-campus as long as the groups are able to maintain physical distancing throughout the whole gathering. Continual cleaning, etc.

When do we move from Stage 3a to Stage 3b or back to Stage 2?

Transition from 3a to 3b will be guided by the Re-Entry Team and in conversation with leaders of the various small groups. If there is an increase for 3 weeks of new cases, we will move back to Stage 2.

STAGE FOUR

This is the final stage. Restrictions are lifted by Kansas City. Continue to follow physical distancing until vaccine or remedy is available.

*Holmeswood Baptist Church will follow guidelines enacted by Kansas City and the Kansas City Health Department. **Masks will be required at all times** for all individuals over the age of 2 entering Holmeswood's campus; if an individual comes to Holmeswood without a mask, one mask will be provided.

*This is a minimum of a 3-week analysis of new COVID-19 cases with a 5-10% increase/decrease as reported by the Kansas City Health Department. At that point the Re-Entry Team and medical community will begin to evaluate moving to a different stage (forward or backward).

*Details and movement between stages will be shared through our regular communication channels.
