Our Clothes Closet serves Center students. Before you donate your gently used adult sized clothes, think to yourself, "Would a teenager wear this?"

Place all donations in the wicker basket in the Galleria (near the front office).

These basics are given away every month at Impact Days (part of the Impact Center initiative to end homelessness). They are our most needed items since we give them away on a regular basis!

Plain T-shirts

example: the Hanes packs of white, gray, or black shirts
