Connecting with God, One Another and Our Mission in the World

Bethlehem Lutheran Church + Aberdeen, SD + (605) 225-9740 + www.bethlehemaberdeen.org
Beloved People of Bethlehem,

As I write this we’ve just dug out of yet another winter storm. The snow that blew across the land and drifted into our driveways is also dripping through the ceiling in the kitchen at Bethlehem. This leads me to be grateful for the simple things: a home with a driveway to be drifted with snow and a kitchen that feeds hungry tummies and hearts.

Again this Lent, we are serving many meals at Bethlehem – Ladies Lenten Luncheons and Wednesday lunches as well as the year-round Sunday treats, Wednesday suppers and funeral receptions. Again this Lent, we are inviting people to participate in Lenten Sacrificial Offering – sacrificing (even a little) for the good of others. And this Lent, we are inviting all people of Bethlehem to care for the kids across the street by supporting our partners, Lutheran Social Services.

Our gifts to the LSS Resurrecting Hope appeal will bless our neighbors across the street at New Beginnings Center. This residential youth facility provides a home for youth facing particular challenges. Our gifts will help to update and improve their kitchen – a kitchen that has provided about 400,000 meals since it was constructed 25 years ago. The New Beginnings Center kitchen has not been significantly updated or improved in a quarter century!

Please join me in sacrificing a bit for the blessing of our neighbors next door. We’ll also have the opportunity to hear more about the life-changing ministry across the street and support the Resurrecting Hope capital appeal the weekend after Easter and the following Wednesday.

Please join me in thanking God for our homes, our kitchens, and the blessings we have received... that we may be a blessing to others.

Leaning into Easter with you,

Jeff Whillock
Lead Pastor

We have been very busy in Pre-K and the school year has flown by so quickly! During the month of March we learned about taking care of ourselves and making healthy choices. One way to take care of yourself is to make healthy food choices. We learned the difference between healthy foods we should be eating everyday and not so healthy foods that we should only eat sometimes. At the end of our unit we took a field trip to Kessler’s to get a behind the scenes peek at the different departments throughout the store and were able to see some of the workers in action! To finish out the year we will be learning about spring, Easter, the weather and preparing for kindergarten. We are also hopeful to get some warm and sunny days to play outside and get some fresh air.

If your child will be 4 years old by September 1, 2019 we would love to have your family join us for the next school year! Space is available in our Pre-K plus full day care option. The full day care option provides before and after school care and is available Monday - Friday 7:30 a.m. - 5:30 p.m. It’s a great option for working parents! Contact Mrs. Atkins at prek@bethlehemaberdeen.org or 225-9740 for more information or to register.

Tuesday Ladies

Join the Tuesday Ladies on April 23 at 7:00 p.m. in the Fireside Room as they start their final study before summer. We aren’t the first to struggle with prayer. The first followers of Jesus needed prayer guidance too. In fact, prayer is the only tutorial they ever requested. Learn more in our study Before Amen: The Power of a Simple Prayer by Max Lucado. Books are available from Cathy Durst or the church office.

Pastor Kevin’s Sabbatical

Bethlehem’s partnership with Pastors includes a three month sabbatical after six years of service. In July 2018 Pastor Kevin marked his 6th anniversary serving Bethlehem. Plans are underway for his sabbatical this year: mid-May through mid-August. Additional information will be shared as arrangements are finalized.

Has the idea of traveling to the Holy Land ever crossed your mind? Are you interested in learning about and seeing the very holy places that Jesus walked? A Holy Land experience has the power to take your faith to the next level, bringing scripture to life and opening our hearts to this very ancient land. A quick informational meeting will be at noon on Sunday, April 28th in the Fellowship Hall for anyone who wants to learn more. This trip is tentatively scheduled for January or February of 2020. Please contact Pr. Rhia with questions.

Webster’s Definition of Stewardship:
The careful and responsible management of something entrusted to one’s care.

If we think “stewardship” only pertains to our fall campaign pledges to fund the ministries of Bethlehem for the next year, we are short sighted. By definition, we are all stewards of everything entrusted to us: our families, our friendships, our bodies, our church, etc. and yes - our money.

We see the beauty of financial stewardship when the Globe offerings help those who need not only financial assistance but assurance that someone cares about their struggles. We see it when our church feeds hungry tummies on Wednesday nights. We see it at work when families gather to play in bouncy castles or watch a movie together in the Re-Creation Center. We see it when women join together to make quilts for those in need of warmth. There are so many other examples. All of these are made possible by the generous stewardship of you and me – the Bethlehem family.

Maybe less obvious, we also see stewardship in the gifts of those that remember Bethlehem with an estate or endowed gift. As the new 2019 Chairperson of the Endowment Committee, I am excited to see this fund grow as we share with you what endowments can do for our church.

Did you know if you would choose now to endow a portion of your estate to Bethlehem, it would provide funds in perpetuity (big word – means forever)? Gifts given to the Endowment Fund cannot be spent. “What” you might ask. Your gift (the principal) remains in the fund and the investment income earned provides income to the church forever. Our Endowment Fund had a balance of $481,916 at the end of 2018. In 2019, an Endowment Fund disbursement of $17,710 will aid in supporting the General Fund ministries and an additional $6,222 is designated for specific ministries requested by the donors.

What if that Endowment Fund had $1,000,000? Or $5,000,000? If you love Bethlehem like I do, please consider this additional way to help Bethlehem reach the Be-Loved people of God now and long after we are gone.

If you would like to discuss what an endowment gift might look like for you, please contact any member of the Endowment Committee, a Pastor, or Janis Heier, Director of Administration. Our Committee has a goal to provide continuing education about the Endowment Fund and its impact with you.

On what team are you currently serving at BLC?  Worship Ministry Team

Have you served on any teams in years past at BLC? I also am on the PowerPoint team for worship services.

Background: Graduated from Aberdeen Central in 2001 and Northern State University (Go Wolves) in 2005 with a BS in Management.

Family: I have been married to Emily since 2007 and we have a son Brady who is a 2nd grader at Roncalli. We have opened our home to foster care and currently have a 6 year old and a 4 year old (both girls) placed with us.

Work: Sales and Leasing Consultant at Groton Ford

Hobbies: Hunting and Fishing, coaching my son's youth sports, going to local sporting events, camping.

How long have you been a member of BLC? I have been a member since 2007.

What brought you to Bethlehem? It was really a compromise thing for my family and I. I was raised at St. Paul's in Aberdeen which is a LCMS church. I was very active there as a youth. My wife grew up Methodist in Clark. We really looked for something that had a lot of emphasis on its youth programs. We found that Bethlehem offered that and was the closest to each of our upbringings.

What keeps you at Bethlehem? There are a lot of things going on at Bethlehem but since day one for us, the church has been a warm and welcoming place to me and my family.

How have the ministries at BLC affected your life and your faith? My faith is stronger than ever but more importantly, it is having an affect on Brady. He has grown closer to God too.

How has your involvement with your team affected your perspective of this church and/or yourself? I would say my eyes have been opened quite a bit. It takes a lot of resources to run a church and especially a church this size. I am grateful that our congregation gives us those resources and great leadership to utilize those resources properly.

What is the biggest challenge placed before your team? Sound Levels. There is a fine line of too loud and too soft. We are working diligently to make sure those levels are just right. You may notice changes.

If you had to pick one current ministry at BLC you think instrumental for the future development of this church, what would that be? Children are the future of the church. They are the next generation of leaders for the congregation. We need to keep the youth programs strong for the future of Bethlehem.

God Calling! Become a Pastor or Deacon

This fun-filled, fast paced day will provide information for individuals of all ages to learn about a variety of seminary study programs, seminary financial aid assistance, and the ELCA candidacy process for individuals considering a call to public ministry as a Pastor or Deacon.

This is a free event for all participants on Saturday, April 13th from 9:00 a.m. to 4:00 p.m. with lunch provided at Joy Ranch near Watertown, SD. Lodging is provided for Friday and/or Saturday evenings with a continental breakfast Sunday morning.

About Membership Records
Bethlehem has a process for recognizing persons joining the congregation. However, we do not have a regular process for recognizing when persons leave the congregation unless they actively notify the church. Thus, the membership statistics include many persons who have moved away from the area or moved on from participating in the ministries of Bethlehem.

If you have family members or friends who are listed as members, but have moved away or moved on, please encourage them to contact Bethlehem or provide us an update online at: www.bethlehemaberdeen.org/about-us/membership-update.

We would like records to accurately reflect the realities of membership.

Living Last Supper
April 18 at 6:30 p.m.
Bethlehem Sanctuary

Come witness Jesus and the disciples as they experience the last hours and supper of our Lord's life. Maundy Thursday at 6:30 p.m. a unique drama/worship experience will be offered in The Living Last Supper. All are welcome to share in this experience centered around scripture, sacred music and holy communion.
