Medical/Allergy

Illness
If your child is ill and not able to attend class, please call KIDSCOR ELP at 913-201-9738. Children may not attend when they are ill, overly tired, coughing excessively, have had a fever or diarrhea within 24 hours or have an unexplained rash.

These recommendations are made by the Johnson County Health Department. If your child should develop any of the above-mentioned symptoms while at KIDSCOR ELP, you will be notified and asked to come pick up your child. Please sign in each day with a contact number, and keep your emergency numbers up to date in the office.

Allergies
KIDSCOR ELP is a peanut/nut-free environment. It is imperative that we be informed of all allergies your child has. A list of children with allergies will be posted in the classroom to keep all staff aware of allergic conditions. Parents are responsible for sending a snack if their child cannot eat the food being served for snack on that day. Snack menus will be posted outside each classroom. Please be sure to fill out an allergy packet if your child has allergies.

Medication
If it is necessary for medication to be administered to your child at preschool, a state medicine form must be on file for an over-the-counter or prescription drug. A doctor’s note must accompany a prescription drug. All medications must be in their original container labeled with your child’s name.

Tuition: $335/Month

Five-year-old
(birthdates May 1, 2015 to August 31, 2015)
● Tuesday, Wednesday, and Thursday
9 am – 1 pm
Tuition: $335/Month

Tuition is due by the tenth of each month. Tuition checks should be placed in the mailbox outside the ELP office. Make tuition checks payable to KIDSCOR Early Learning Program. Tuition may be paid in multiple months or in full. There is no snack fee, supply fee or activity fee, these are included in the registration and tuition fees.

KIDSCOR Accreditation

KIDSCOR ELP is accredited by the National Association for the Education of Young Children. We are one of only 35 accredited church preschools in the state of Kansas. NAEYC’s national, voluntary accreditation system has set professional standards for early childhood education programs, and helps families identify high-quality programs for their young children.

KiDSCOR ELP Staff

Each member of our exceptional staff is trained in early childhood development. The majority of our staff have early childhood/elementary degrees and several hold master’s degrees in education. All staff are background checked and have health and safety trainings, including first aid/CPR. In addition, we receive 16+ hours of staff development in early childhood content annually.

Curriculum

KiDSCOR Early Learning Program implements the High Scope curriculum throughout the preschool, from 18 month – 5-year-old classes.

Things to look for when choosing a preschool for your child, all of which are incorporated into our preschool:

● A child development curriculum
● Low child/adult ratio
● Teachers trained in early childhood development
● Director support
● Involvement of parents as partners
● Sensitivity to non-educational needs of children and their families
● Developmentally appropriate evaluation procedures.

Our comprehensive High Scope curriculum is focused around 8 content areas (KDI’s):

- Approaches to Learning
- Social and Emotional Development
- Physical Development and Health
- Language Literacy and Communication
- Mathematics
- Creative Arts
- Science and Technology
- Social Studies
Important Preschool Information

Chapel Time
KiDSCOR Early Learning Program incorporates weekly chapel times into our faith-based program. Chapel time consists of a Bible story, prayer and music. The children pray before snack and lunch times.

KiDSCOR Early Learning Program Connecters
KiDSCOR ELP is fortunate to have a very active group of parents interested in serving the preschool. The group meets regularly and plans teacher luncheons, the annual pizza party and other special events for KiDSCOR ELP.

Birthdays
Birthdays can be celebrated in a special way at KiDSCOR ELP. Because of children's allergies and nutritional concerns, birthday treats cannot be eaten in the classroom. You are welcome to provide a birthday bag for each child to take home on the day your child's birthday is celebrated. No balloons, please. Families are invited to donate a book to the birthday child's classroom library.

Holidays
KiDSCOR ELP is closed the week of Thanksgiving, two weeks at Christmas, and a week for spring break in March. A preschool calendar will be given to families during orientation.

Cancellation of Classes
If the Blue Valley School District cancels classes due to inclement weather, KiDSCOR ELP will be closed.

Photos
Pictures of the children will be taken throughout the school year. Most of these pictures will be for classroom use only. However, occasionally a picture may be used for information for The Church of the Resurrection, such as a directory, or in promotional purposes for KiDSCOR ELP. Each parent will be asked to complete a photo release form.

Clothing
Children should come to school in clothes that they can play in and manage independently in the bathroom. Please send warm clothes, mittens and hats for outside play in cold weather and write your child's name on everything that comes to school.

Everyday Necessities
Every preschool day a child will need to bring a backpack/bag with a complete change of clothing — pants, shirt and socks. Be sure to check your child's backpack every day. The day's work and notes from KiDSCOR ELP will be sent to families in the backpack/bag.

Children will bring their lunch and drink in a lunch box with the child's name clearly marked. Ice packs will keep lunch chilled until lunch time.

Please send peanut-free food items.

Conferences
The teachers at KiDSCOR ELP are available to talk with you about your child at your request. We do ask that you make an appointment to allow time and privacy for meaningful conversation with your child's teachers. The director and assistant director are also available if you would like them to be included.

Two conferences for the preschool children will be scheduled during the school year—one in early fall and one in the spring. The fall conference is a "get acquainted" opportunity for parents and teachers to share information about how their preschooler is adjusting to the school environment. The spring conference is for evaluation of each child's growth from both the school and the parents' perspective.

Change of Information
Changes in address, phone number, emergency contact number or people approved to pick up your child should be made in writing and submitted to the KiDSCOR ELP office.

Dropping from Class
A written/e-mailed notice to the office staff is required to make any changes to your child's preschool schedule.

Pharmacy
Prescriptions are taken by the director and associate director. A written/e-mailed notice to the office staff is required to make any changes to your child's medication.

Daily Routines Include:
Large and small group activities, work time, outdoor play, snack, Chapel, Spanish, music and movement.
