“Who am I, and who are my people, that we should be able to offer so willingly? Since everything comes from you, we have given you that which comes from your own hand.”
1Chronicles 29:14
At Resurrection, discipleship is focused on five essential spiritual practices rooted in Jesus’ own walk with God: worship, study, give, serve and share. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together as the church. Giving financially is mandated by God in the Old Testament as an act of gratitude, and is one of the expectations of membership at Resurrection. As Christians we recognize all we have comes from God, so we give back a portion, often referred to as the tithe or 10%, to be a part of providing life-changing worship and congregational care, opportunities for all ages to learn and grow in faith, and mission ministries that are transforming our community and world. Your giving makes a difference.

Why do we ask for an annual commitment? First, it is an opportunity for reflection and prayer as you prepare your budget for the new year. Second, it helps set the church budget so we can plan and expand ministry in the coming year and be good stewards of the church’s and your resources.
