Electronic Giving at Church of the Resurrection

Giving online is secure and easy with Pushpay. Just set up an account through your mobile device or computer to make one-time or recurring gifts, store payment methods and monitor your transactions.

On the reverse of this card, you'll find instructions for setting up electronic recurring giving through Pushpay's mobile-friendly website.

You can also download the Pushpay app on your phone to have access to your giving history, set up additional gifts and more.

Do I have to create an account?

You can use Pushpay as a guest. The advantage of setting up an account is that you can save your information, so you do not have to re-enter it each time you give.

Can I use my bank account instead of a credit card?

Resurrection's cost is less when you use your bank account as the method of payment (credit card fees are 3%). If you prefer to use a credit card, Pushpay accepts American Express, Discover, MasterCard and Visa. You can even set up multiple payment methods and select one each time you give.

Is this for one-time gifts or recurring gifts?

You can use Pushpay for both one-time and recurring gifts, including your annual giving and capital campaign commitments.

Will I get a confirmation?

Yes, you will get a confirmation email within minutes of your transaction.
