4850 E Main Street, Carmel, IN

PRAY ALL DAY!

Rejoice always, **PRAY** without ceasing,
give thanks in all circumstance,
for this is the will of God in Christ Jesus for you!
~ 1 Thessalonians 5:16-18 (ESV) ~

Hello FAA Campers!

Think back to the first prayer you remember. For many, it is a simple table prayer, "Come Lord Jesus be our guest, and let these gifts to us be blessed." It is a good thing to thank God for our food. I also remember learning to pray before going to sleep. The habit helped me relax, feel loved, and ready to drift off to sleep. It is a good thing to pray before bed.

This year at Fine Arts Academy we want to teach you to **PRAY ALL DAY!** Not just reciting a prayer before a meal or before bed, although those are good things to do. We're going to go deeper and see why Jesus encourages us to pray. Every chapter in the Bible tells stories about people with real challenges and how they used the power of prayer to get them through those storms. So, how are we to pray?

First, REJOICE ALWAYS! Show great joy and delight in Jesus and all He has done for us. Look back at your day, week, and month and see all the wonderful things you have accomplished with help from the Lord.

Second: In Thessalonians, Jesus directs us to PRAY WITHOUT CEASING. That means without stopping. Literally, **PRAY ALL DAY!** And **PRAY ALL DAY** we will, at Fine Arts Academy 2024.

And finally, GIVE THANKS! Give the credit to the one who deserves it, Jesus! Alone we are nothing. It is Jesus who died on the cross to take away our sin.

We can't wait to sing, create and **PRAY** with you this summer!

CORE CLASSES

All students that attend the Fine Arts Academy participate in the following classes. These core classes do NOT count toward your electives.

THEME CLASS

As we study His word this week we will explore and learn how we can rejoice, give thanks and **PRAY ALL DAY!**

MUSIC

Our students will learn fundamental choral and music skills through singing and playing percussion instruments. Music learned during the week will be performed at the closing celebration.

CLOSING CELEBRATION

Friday evening, June 21, at 6:30 PM, is our closing concert and art show in the Worship Center. Projects throughout the week will be on display and performances will be given by the choirs, Orff ensembles, dance classes, ukulele, and more!

ELECTIVES

Intermediate and Jr. High students may choose three (3) electives from those listed on the following pages.

Classes marked with an () have an extra \$10 materials fee for that elective, due with final payment.*

NOTE: Some classes are only open to certain grades.

***BOOK BINDING**

What is a book? Rip into a book (literally) to find out how a book functions, then spend the week sewing, binding, and casing a blank book you can take home with you at the end of the week.

CARTOONING

Students will learn the fundamentals of illustrating by practicing with their favorite cartoon characters. With characters like Spider-Man, Spongebob, and Pikachu, students will learn how to take basic shapes and use them to draw any of their favorite characters!

CREATIVE WRITING

Throughout the week students will learn the basics of good storytelling, and explore the magic of creative writing through a variety of fun activities.

***CULINARY ARTS**

It's always good to pray that our recipes turn out! Come prepared to learn your way around the kitchen and try some new foods. No previous experience necessary!

DANCE: HIP HOP

Dive into upbeat music as you praise God through movement! This class welcomes both new and experienced dancers.

DANCE: LYRICAL

Express your heart for Jesus through a flowing, graceful combination of ballet and modern dance choreographed to worship music. New and experienced dancers are always welcome.

ELECTIVES

DRAMA

Learn basic acting techniques while preparing for a short dramatic presentation. Students will light up the stage after learning stage direction, vocal inflection, and audience engagement techniques.

(NOTE: We do not currently have a Drama teacher, so please have a backup class in mind if we cannot offer Drama this year.)

DRUMMING/WORLD PERCUSSION

Students will perform on various types of drums and world percussion. By creating rhythmic patterns with other students using our FAA theme and verses, as well as ideas offered by the students, we will energize our space and enlighten our spirits.

FIBER ARTS 1

Enjoy the ancient art of felting utilizing lambs wool and other natural fibers to create works of art.

FIBER ARTS 2

Take wet felting to the next level. Must have already taken Fiber Arts 1 previously.

FOUND ART (NEW!)

Discover the joy of finding inspiration in discarded everyday objects. Your old toothbrush, the buckle off the dog leash, a bottle top—you never know what will be that piece that makes your Found Art all come together! You can bring in items you find to create your projects, so start collecting!

GELLI PRINTING

We will explore mono-printing using gelli plates. We will create our own stencils and learn loads of techniques for creating one-of-a-kind prints. Then we will create a mixed media assemblage artwork using our prints.

HARP

Does the harp seem like a heavenly instrument to you? Or maybe mysterious or complicated? Never fear—this instrument is beautiful AND accessible! Learn your way around this unique instrument.

ELECTIVES

HANDBELLS

Handbell music is both beautiful to hear and see! Come learn the basic skills, techniques, and a little history of handbells.

HAND LETTERING WITH WATERCOLOR EMBELLISHMENTS (NEW!)

Let your inner artist shine and get creative with hand lettering and watercolors! Hand lettering is an exciting way to add elements to any type of project, from journals to mixed-media art. Learn how to incorporate hand lettering and watercolor embellishments into your projects.

*JEWELRY

Come learn basic jewelry and metal stamping skills as you have fun making and creating a variety of jewelry pieces in this class.

KEYBOARD (NEW!)

Have you wanted to try the piano? This class is for **beginners** on the electric keyboards. We will learn notes and fingerings of classic piano songs and some church songs.

KNITTING (NEW!)

Let's experience the art of knitting. Students will learn the patterns to create a cozy item of clothing.

MIXED MEDIA

Students will explore a variety of media and techniques to create personal works of art that reflect scriptural truth. Drawing, painting, printmaking, and experimental collage techniques will be used in exciting ways. Please bring an art smock to class every day.

PAINTING & DRAWING

This class is an exciting view into the many creative aspects of two dimensional art. We will be learning so many things!

FAA shirts and
themes through
the years!

ELECTIVES

PAINTING: ADVANCED (Jr. High Only)

In this class we will explore painting techniques to build a great composition, exploring color mixing and applying layers to create an expressive abstract landscape.

PRAYER JOURNALING (NEW!)

In this class we will explore scripture passages as inspiration for creating beautiful mixed media works of art. The projects will involve layering images with text, using printmaking, drawing, painting, stamping, and collaging techniques.

PHOTOGRAPHY

The week will be spent learning to capture beautiful photos using our mobile devices. Students will learn the key concepts of photography, and practice skills through fun activities each day. Using free apps we will learn how to edit photos in both creative and practical ways. Students must bring their own mobile device such as an iPhone, iPad, etc. Please do not bring a point-and-shoot camera.

***SEWING**

Fine Arts Academy students will have “sew” much fun as they spend the week learning how to operate a sewing machine and completing a theme-based project. No prior experience necessary.

UKULELE (4th Grade and Older)

Absolute beginners will have a great time jamming to all types of music on the ukulele. Students will learn to play several chords and strumming patterns on the ukulele, create their own compositions, and learn to play several worship songs. No prior experience is necessary!

***WOODWORKING (Jr. High Only)**

Learn about different kinds of wood and develop skills in the use of a scroll saw and wood lathe to complete several projects. Everything will be done under close supervision.

STAFF and VOLUNTEERS

FACULTY

Our faculty is composed of many talented and experienced teachers who have a passion to serve God with their art. Most are actively involved in teaching, either privately, in their church, or in the school systems. They represent many different churches, and all are deeply committed to sharing their expertise and faith.

TEEN PROGRAM

Our amazing teen program of student volunteers have completed either 9th, 10th, 11th, or 12th grade. They serve as examples of servant leadership before and during the week of FAA. Interested in being a teen volunteer? Please text Co-Director Sam Moody at 614-403-0062 or register at [CornerstoneLutheran.church/faa](https://www.cornerstonelutheran.church/faa).
