The main lessons for us from a hard passage

1. A lesson in submitting to God's wisdom (11:33-34).
2. A lesson in anticipating God's justice.
 - If you are not a believer in Jesus Christ, this is a sobering reminder that God is perfect in His justice—toward you—and a call to repentance and faith.
 - If you are a believer and your heart is often heavy over all the injustice in the world, this passage should encourage you that one day justice will come.
