

## 2021 Conference Scholarship Application Student Attendees

The CSMFO Annual Conference is an outstanding opportunity for education, networking, and professional growth. Attending the CSMFO Annual Conference as a student provides a unique opportunity to meet current leaders across California that are working to shape policies and best practices for municipal finance. To encourage students to participate in this opportunity, the CSMFO Board of Directors is introducing the Student Attendee Scholarship for the 2021 Annual Conference.

### Eligibility Requirements

- Applicants must be a student CSMFO member at the time of application. Student memberships are **free**. Please visit <http://www.csmfo.org/membership/join-csmfo/> to join CSMFO. Join now and your membership will be valid through December 2021.

### Benefits

- The scholarship covers the **full cost of registration**. The scholarship does not include registration for any pre-conference sessions.
- Scholarship recipients will have the opportunity to participate in CSMFO's mentorship program. Recipients will be paired with a mentor and that they will meet during a designated event at the conference.
- Recipients will have the opportunity to network and build connections with other professionals across the state of California.
