Tug-of-war with a wild boar?

Tie it to a slamming door?

Jumping bean or trampoline?

That tooth will pop out clean.

#### Suggested Drawing Ideas

1. A tooth tied to a rope (no animals or people needed).
2. A simple door with a string tied to a tooth.
3. A tooth bouncing up and down with "boing" lines.
4. A flat trampoline with a tooth jumping above it.
5. A tooth flying upward with motion lines.

No matter what your extraction style,  
Waste no time on the gap in your smile.  
Don't just stand there, grin and think.  
Your treasure will come in a blink!

#### Suggested Drawing Ideas

1. A smiley face with a missing tooth gap (just one square empty).
2. A big tooth fairy star shining over a smile.
3. A tiny treasure chest with a tooth floating above it.
4. A simple stick figure pointing at their missing tooth.
5. A sparkle where the tooth used to be.

Tuck that tooth beneath your head -  
Magic's coming while you're in bed.  
Look under the pillow and holler.  
By morning, earn your first dollar.

#### Suggested Drawing Ideas

1. A pillow with a little tooth drawn underneath.
2. A tiny fairy wand sparkling above a pillow.
3. A simple bed with a kid sleeping (just a circle head + blanket).
4. A dollar appearing with sparkles.
5. A pillow glowing with magic lines around it.

Close your eyes and snuggle tight,  
A tooth fairy's flying in tonight.  
She'll trade that tooth while you're asleep,  
For a shiny dollar yours to keep.

#### Suggested Drawing Ideas

1. A simple stick-figure fairy with wings and a wand.
2. A tooth and a dollar with arrows showing the trade.
3. A moon and stars to show nighttime.
4. A sleeping child's face with Z's above.
5. A fairy dropping a dollar next to a pillow.
