1. **I** am the Mistress of this household. I love you and I own you. You will submit completely to me and my pleasure, and you will cleave only to me.

3. **Y**ou will obey me without question and without hesitation.
4. **Y**ou will submit yourself to me as the only authority and controlling power in our relationship.
5. **Y**ou will maintain an alertness and awareness of my needs and desires, anticipating them and meeting them before I ask.
6. **Y**ou will maintain the domestic bliss in my household.
7. **Y**ou will work daily at building new habits and behaviors that are pleasing to me.
8. **I** demand and expect that you improve and change these attributes, habits and behaviors.
9. **I** see in you habits and behaviors formed around these attributes, and it is clear to me they can be changed.
10. **I** see in you male attributes that are not supportive of women. They undermine my authority and create friction in my household.
