**"Making, Maturing, and Multiplying Disciples."**  
 That is the motto of First Baptist Church, and it is the goal of every one of our Adult Life Groups. Life Groups meet directly following the Sunday Morning Service. They gather for the purpose of building one another up and spurring one another on in love and good deeds through small group Bible studies.

**Jack Benny Life Group (Men 60-75) D110A**

The Jack Benny Life Group is composed of men "over the age of 39," and we use the *Bible Studies for Life* curriculum. The class is discussion based, and while we have one who serves as the primary teacher, there are four other men in the class fully capable and willing to teach. The men in the class are open and thoughtful, which provides a weekly lively discussion of the lesson. The real blessing is that each of the men read and study the lesson each week on their own.

We are a loving, close-knit group looking to add members.

**Commissioned Men Life Group (Men, 70+) D110C**

The Newell class is made up of singles and couples from different life stages and backgrounds. We gather together to study God's Word and spur one another on to love and good deeds. Between our regular Sunday morning times, we try to find ways to get together and fellowship, deepening and strengthening our relationships with one another.

**Wilson Life Group (Couples and singles, 30-45) A004**

We are a group that is led by devotion to God's Word and service to His Body. We take a verse-by-verse, book-by-book approach to studying the Bible and take time every week to pray for each other, our church, and those our church has sent out to the nations.

**Barnard Life Group (Couples and singles, multi-generational) A012**

The Barnard Life Group gladly welcomes adults (ages 18-108) who desire to love Jesus Christ more deeply and follow Him more faithfully. We're a multi-generational class with folks from all walks and stages of life. We gather on Sundays for informal fellowship, sharing and prayer, and to study Scripture with a guided teaching/discussion approach. Typically, we study one book of the Bible at a time, rotating between OT, NT, and the Gospels. Beyond Sunday morning, our Life Group strives to create regular opportunities for fellowship and seeks to care for one another when practical needs arise.

We are women 75 and up, but any age is invited and welcome. We are always eager to expand our circle. We are a close group and help/support each other during illness, loss or trouble. We use some materials to aid our study, but seek to deal directly with the text of Scripture. Format is lecture/discussion. We encourage questions, doubts, different opinions for discussion (and even then, we love each other!)

**College Life Group (Co-ed, 17-23) A016**

This group is geared toward those between the ages of 17 and 23, whether you are an enrolled college student or not. We meet year-round to study the Bible book-by-book, discuss the Lord's work in our lives, and pray for one another. We also would like to invite any who are interested to our weekly dinner where we go deeper in community and fellowship.
