

Summer in the Psalms: No Sheep Left Behind!

Psalm 23

"The sweetest word of the whole in Psalm 23 is that monosyllable, 'My' - Charles Spurgeon

"Sheep have a herd mentality, scare easily, are stubborn, wander off, and make foolish decisions over and over. It's why God compares us to sheep. We wander, panic, are self-willed and follow the crowd. We make a mess of things because we are a mess. The great news in Psalm 23 isn't that there are sheep, it's that there is a good Shepherd." - Phillip Keller (Former shepherd in East Africa and now Pastor/ Author)
