

Recently in Zambia over eight million people were exposed to the gospel through the JESUS film using TV broadcasts and digital platforms. Isn't it amazing to see what the LORD is doing even as the lockdown continues?

Each week, it's a real joy for me as I receive prayer requests from a country and distribute them to Pray4SEA Intercessors around the world. I'm on the virtual frontline of ministry!

If you are not receiving weekly, current, strategic, praise and prayer requests for the Southern and Eastern Africa countries, just log onto [www.pray4sea.org](http://www.pray4sea.org), click the GET INVOLVED tab at the top and please join this prayer network.

Does this Zoom screen look familiar? These men are part of the Executive Ministry men's Bible study, I have been leading here in Greenville.

A Dallas Seminary graduate has been helping me as we currently are studying Revelation!

Let's pray for each other as we are in these unusual times. Oh, come quickly LORD Jesus!

It's been six months since Pat's graduation from this life. Everything is different now but God is faithful and I know it. My kids continue to look after me, encourage me and are concerned for me. I recently had outpatient surgery, but I'm recovering well. I can even get back into water aerobics, which I've really missed. I'm truly a blessed man.

I am greatly encouraged by your faithful partnership during these times of crises. Thank you.

Love and blessings,
