

## Rhea Communiqué

April 2020

It's been three months since Pat's passing, and I continue to be blessed by so much love, concern and encouragement from family and friends. I grieve, yet rejoice because I know exactly where she is. *"But we do not want you to be uninformed, brothers, about those who are asleep, that you may not grieve as others do who have no hope."* | Thessalonians 4:13

Hope is what all of us could use a lot of right now.

COVID-19 took many of us by surprise and has descended upon our lives in a dramatic way. Everyone's world has been changed. It's like nothing I have ever seen or experienced before.

**But we, as believers can be hopeful.** The pandemic didn't catch God by surprise. This "divine interruption" has caused us all to pause and ask God what He would have us do during this time. How can we bring hope to those around us?

Cru leadership has asked staff members around the world to pray at 20:20 (8:20 pm) each day for their ministry. **Please join me in praying at 20:20** for a great host of people to turn to Jesus since their world securities have been snatched away. They are looking for hope in the midst of the chaos. And Jesus is the answer.

**Pray also for those in Southern and Eastern Africa.** They don't have the medical facilities, adequate testing, or information about prevention like we do in the US.

**And please know I am praying for you.** Praying for the LORD to provide for your physical, spiritual and emotional needs. Praying He gives you strength as you go through these uncharted waters. And praying your hope will be in Jesus. *"God is our refuge and strength, a very present help in trouble."* Psalm 46:1  
Thank you for your prayers and partnership with Pat and me for all these years. I am extremely grateful.
