ECO (Environmental Consultation Organizer) Public Portal

Instructions for public users with personal or corporate email (non-U.S. Federal email)

December 2020

ECO is an information management application covering NOAA Fisheries consultations under the Endangered Species Act (ESA) and Magnuson-Stevens Fishery Conservation and Management Act sections 305(b)(2) & 305(b)(4) Essential Fish Habitat (EFH).
ECO Public Portal Registration

If you are a public user with personal or corporate email (non-U.S. Federal email), please follow below steps to register and get access to the ECO Public Portal.

1. ECO Public Portal Self-Registration:
   Click on the following link, or copy and paste it into your web browser:
   https://appscloud.fisheries.noaa.gov/suite/?signin=native

2. Begin the Registration Process:
   a) On the NOAA Computer System Notification screen, click on “I Agree”.

   ![NOAA Computer System Notification](image)
   - This is a NOAA computer system. This computer system, including all related equipment, networks and network devices (specifically including Internet access), are provided only for authorized U.S. Government use. This system may be monitored for all lawful purposes, including to ensure that its use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability and operational security. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal or adverse action. Use of this system constitutes consent to monitoring for these purposes.
   - I AGREE

   b) On the Login Screen, click on "Register for a New Account."
c) On the ECO Registration Form screen, fill in "First Name", "Last Name", and "Email" information.
   NOTE: The e-mail account should be an account that you have access to, in order to receive follow-up instructions.

d) Click the "I’m not a robot" selection, and complete the reCAPTCHA visual challenge, as prompted.

e) Click Submit.

f) Validate the following submission screen is presented.
3. Account Approval Notification:

You will receive an email notification that the self-registration request for an ECO account has been approved.

NOTE: The NOAA ECO support team will review your ECO Public Portal access request and activate your account upon approval.

a) Upon approval, you will receive instructions on how to set your password.

4. Login to the ECO Public Portal:

Navigate to the ECO login screen, and authenticate using the credentials defined in the self-registration process, to log into ECO.
a) Navigate to: https://appscloud.fisheries.noaa.gov/suite/?signin=native and on the NOAA Computer System Notification screen, click on "I Agree".
