

First Light

PRESCHOOL

First Light offers a great developmentally appropriate, stimulating and always nurturing environment that encourages a love of learning. Our dedicated teachers provide children an educational experience designed to help them grow intellectually, socially, emotionally, spiritually, and physically. Our program is child centered and experience based; play is a young child's work and their natural way of learning. We believe young children need to experience that they are loved, valued and enjoyed.

YOUNG FAMILY SMALL GROUP

Young Families is a group for families with or expecting children of all ages, who are looking to build community and grow in fellowship together. Activities may include book studies and parenting discussions. At each meeting our goal is to provide a meal and family fellowship time, as well as childcare to facilitate adult discussion time.
