Git-R-Done Git's-R-Done

Taken daily, Git-R-Done Energy builds overall bodily health and wellness — while providing long lasting energy. Each 2 oz. shot contains:

- D-Ribose to build muscle energy and improve physical performance.
- Powerful antioxidants to aid the body's cell building abilities, fight disease and oxidation stress.
- A combination of vitamins and minerals that aids heart function, brain, liver and other muscles and cells.
- A symphony of ingredients more powerful than Vitamin C, stronger than Beta Carotene, healthier than green tea catechins. All in one.
- Plus ingredients that are beneficial to your heart's mitochondria membranes. Relieves chronic Fatigue Syndrome, providing lasting energy, focus and retention.
- Fights against free radicals, too.
