

**INCONVENIENT BLESSINGS:
THE SOVEREIGNTY OF GOD IN ALL THINGS**

We know we ought to trust God and rely on His sovereignty in the “big things” in life. But do we truly believe He has also sovereignly and benevolently ordained life’s little annoyances for our good? A firm, biblical understanding of God’s sovereignty in ALL things helps us fight sins like frustration, anger, complaining, and worry. It allows us to glorify God in our daily lives, and it fills our hearts and minds with His joy and peace!
