

The Student Portal

The Student Portal can be accessed at <https://estudent.smcsc.edu>

The Student Portal is an important resource for you during your time as a student at Spartanburg Methodist College. Via the portal you can do the following:

- Check your grades
- View your class schedule
- View course schedules
- View your financial aid awards
- Access important class assignments and notes
- Complete online tests and assignments
- View the campus directory

To access the portal, you must use the user name and password assigned to you by the college. This is the same user name and password you will use to access campus computers and your campus email.

Final grades are also mailed to students at the home address on file. These grades are addressed to the student.

Information about grades and/or your academic progress is protected by federal law, often referred to as FERPA (Family Educational Rights and Privacy Act). This means that your grades and academic records cannot be shared with anyone, including your parents or family members, without your consent. This includes conversations about individual grades and coursework with your professors. You can stop by the Registrar's Office at any time and sign a release giving another individual (most of the time it's a parent or guardian) access to your academic information.

If you have any questions about this policy, please contact Dr. Ann Bowles, Vice President of Academic Affairs, or Jill Johnson, Registrar.
