## 1. REVIEW THE SERMON

This week, Pastor DJ showed us images of different “markings.” What would you say your life is “marked” by the most? Why?

---

---

**Read 1 John 3:11-15.** Why is it important for our lives to be marked by love for others rather than hate? What are some subtle ways we may hate others without calling it “hate?”

---

---

**Read 1 John 3:16.** How does focusing on Jesus’ sacrificial love for us encourage us to sacrificially love others in our sphere of influence?(e.g. family, friends, coworkers, etc.)

---

---

**Read 1 John 3:17-18.** Why is it vital to love in both “deed and truth?” What happens if we leave out one of these two components.

---

---

## 2. ASSESS YOUR HEART

1. Am I taking consistent time to meditate on the love of God?
2. Am I sacrificially and actively loving the family of God?
3. Am I actively sacrificing for anyone specific in the family of God?

---

---

## 3. APPLY THE TRUTH

What steps can you take this week to ensure you are loving others sacrificially?

## Message Notes

### **Marked by Love 1 John 3:11-18**

True children of God will not be marked by hate for one another.

True children of God will be marked by a self-sacrificing love for one another.

True children of God will be marked by love in action for one another.
