

THE POST HOUSE

— CLAPHAM COMMON —

Introducing the
latest addition to
fashionable Clapham:
The Post House.

14 design-led one and
two bedroom apartments
offered with Help to Buy,
the ideal place to start your
homeownership journey.

Clapham Living

Clapham offers a village feel yet is home to some of the best restaurants, pubs and bars that the Capital has to offer. The Post House is found on the edge of The Old Town and a short walk from the Common which provides a healthy antidote to the demands of London life.

Clapham attracts a community of aspirational professionals and creatives drawn to its rich and varied culture. The area boasts an eclectic mix of independent and national retail brands, a café culture and an established foodie scene. Notable neighbourhood restaurants include Baristo, Sorella, and the Michelin-starred Trinity which are all a short walk from The Post House.

Opposite The Post House lies Venn Street, which houses the famous Picture House cinema and live music destination, Venn Street Records. Every Saturday, Venn Street is transformed by market stalls offering street food, artisan retail and a great place to mingle. A healthy lifestyle is on offer with the Common acting as a magnet for the community of like-minded people attracted to the gyms and sporting clubs within reach – as well as the ability to run, cycle and play tennis.

Travel

Clapham Common Underground Station is a one minute walk from The Post House and is served by the Northern Line giving easy access to The City and West End. Clapham High Street Station is nearby and is part of the Overground service.

Help to Buy

Who is eligible?

Help to Buy London equity loans are available to first time buyers. The home you want to buy must be newly built with a price of up to £600,000.

How does it work?

With a Help to Buy London equity loan the government loans you up to 40% of the cost of your newly built home, so you'll only need a 5% cash deposit and a 55% mortgage to make up the rest.

You won't be charged loan fees on the 40% loan for the first 5 years of owning your home.

After this time interest is charged at 1.75% per annum, increasing each year by the Retail Price Index (if any) plus 1%. The equity loan must be repaid after 25 years, or whenever you sell your home.

You can pay the loan back over time in different quantities or all at once, and the amount that you reimburse will depend on the value of your home.
