## ACCEPTING A PROPERTY

Properties are accepted on an 'as seen' basis and any issues raised will need to be dealt with prior to references being undertaken.

Upon accepting a property, credit checks and references must be run. There is a non-refundable charge of £75 plus VAT per person. Without this payment we cannot begin to run the checks, which usually take around seven days to complete, in some cases it can take up to an additional two to three weeks. Should a guarantor be needed this may also affect the time taken to complete referencing.

Our referencing agency requires that you are earning two and a half times the monthly rent, on average. If you have insufficient earnings to support the rent, you may need a guarantor, who will be liable for the terms of your tenancy. A guarantor should be a homeowner, earning three times the monthly rent. Guarantor references are an additional £20 plus VAT each.

Please note that ALL intended occupants of the property over the age of 18 will need to complete one of these forms to be referenced, regardless of their employment status.

Subject to references being acceptable, only then will a suitable date be chosen for your occupation of the property. We will of course endeavour to meet your preferred move in date.
