

THE HOSANNA ENDOWMENT

HOSANNA
CHURCH

Hosanna Church today and tomorrow

Hosanna Church are on a mission to look more like Jesus and to multiply His hope and heartbeat through irresistible love, generosity and unity. This is the solid ground we have been standing on for 44 years.

This mission and vision come to life through your generous tithes and offerings. Hosanna delivers Jesus' message of hope to all generations. And, we take His message into the community through HEART and our Community Impact Teams and through each individual heart that is transformed. Our communities count on us and this is the ministry we want to faithfully carry out for decades to come.

Support for the Hosanna Endowment will create a source of income to accelerate promising ministries as today's leaders and those of the future seek to address new challenges and opportunities.

Why Endowment

In Matthew 6:21, Jesus says, "*For where your treasure is, there your heart will be*" (NIV).

Your gift to the Hosanna Endowment is an extension of your lifetime of tithes and offerings. It reflects your heart and your desire for countless others to encounter Jesus so they can experience a relationship with Him.

Giving that matures and bears fruit in the future, like Endowment giving, is another step of trusting God with everything - our finances and God's plan for Hosanna Church.

Endowment gifts of all sizes are welcome and important to growing the Endowment.

A farmer went out to plant his seed...Still other seed fell on fertile soil. This seed grew and produced a crop a hundred times as much as had been planted! Matthew 13:3-8

About the Hosanna Endowment

The Hosanna Endowment, established in 2018, is an income producing fund managed by Thrivent Charitable Impact and Investing. Donor gifts to the endowment are invested and a portion of the annual earnings are used to fund the mission and vision of Hosanna.

Through the Endowment, givers sow seeds to secure a strong, God-honoring financial future for Hosanna.

Our vision for our collective legacy of generosity is that the Endowment will continue to grow and serve generations to come.

Supporting Hosanna's Mission and Vision

Your giving journey likely started with regular tithes and offerings to the General Fund, which is Hosanna's resource for funding daily ministry operations. Periodically, Hosanna also invites members to support building projects through capital campaigns, which have a specific dollar goal and duration. Most recently, many participated in the Fingerprints campaign to build the Chapel and Columbarium.

To extend giving into the future, we established the Hosanna Endowment. This is a long-term investment focused on people and programs that goes beyond the reach of the General Fund. The Endowment will grow and accelerate the Kingdom in the following ways:

- **Prayer and Care:** This team comes alongside hurting people in so many ways, such as:
 - This past year, they helped people **access timely and appropriate mental health care** by removing financial barriers. Through a grant, \$25,000 was deployed to help people access counseling, emergency/crisis care and books and journals prescribed by counselors. We want to continue removing those financial barriers.
 - In December, the Prayer and Care Team helped **XX families were blessed with a special Christmas** for their families through donated gift cards to Walmart, Cub, Kwik Star and more. The generosity of many families made this possible.
- **Leadership development:** Hosanna is known for training church and ministry leaders and we will continue this legacy.
 - **Leadership development:** Rooted in humility, presence and unity, this ministry will help build the pipeline for church and faith-based non-profit ministry leadership. Endowment earnings will be used to develop strategy and provide leadership for the ministry.
 - **Internships and scholarships** will also be a tool for the leadership strategy to engage and raise up the next generation of church leaders. Our goal to grow our intern program from two to eight per year.
 - **Care for leaders** is critical to sustaining a healthy and fruitful calling in ministry leadership yet it is often overlooked and undervalued. A stable funding source for continuing education, sabbatical and other renewing opportunities will also help us build and maintain and pipeline of faith-filled leaders.
- **Ministry development and expansion:** Our ministry leaders have many creative ideas for expanding how they reach people - kids, parents, adults, seniors. We want to make resources available to reach more people.

The goal of the Endowment Team is to build the Endowment corpus to \$2 million and then begin using earnings to fund ministry activities, like those listed above. As of January 31, 2024, the Endowment, invested with Thrivent Charitable Impact and Investing, is valued at \$340,000.
