

Hosanna Israel Study Tour

October 9-23, 2020

Overview

Hiking the terrain of the Holy Land and visiting the locations of events from the life of Christ will give you greater understanding and clarity about the Good News message of the four Gospels. This study tour will focus on a chronological view of Christ's life and ministry. We will spend time learning about His early years. We will visit the wilderness to understand His ministry foundations. We'll spend several nights in Galilee discovering Jesus' ministry training and outreach priorities. In Jerusalem, we will trace the sites associated with the teaching and passion of Christ. *This is NOT a typical shrine & souvenir tour!*

At each location, we will have our fantastic guide Andrey to give us the information we need to understand the biblical and historical setting of the site. Steve Hudson will teach from the Word about the life of Christ and what we can learn about His model and methods of disciple making. Imagine standing in the places you've studied about in the Bible and focusing on the life of Christ... We guarantee you will never read the Bible in the same way!

Team Selection & Size

We are praying for 30 participants.

Flights and Transportation

You have the option to purchase your own *or* to have the team leader purchase it for you. The only requirement is to arrive anytime in Tel Aviv on Saturday, Oct 10, as the study tour begins on Sunday, Oct 11. (Flights should leave the U.S. on Friday, Oct 9, and return to the U.S. on Friday, Oct 23). Do NOT purchase any flights until your trip leaders tells you.

Requirements

- 1. Advance Exercise - This trip will include long hikes and strenuous walking situations.** The area is very hilly. (Imagine the hills in San Francisco.) 95% is walking up or down. The streets and steps are ancient, uneven, and at times slippery. It is important that you are of good health and are willing to exercise in preparation for this trip. The previous team walked an average of 70 miles, with at least 5 miles per day. Prep for this trip should include walking up and down steep hills and stairs (two steps at a time.)
- 2. Team Meetings -** There will be required reading in advance, as well as 4 team meetings to help get a grasp on the local and historical situation prior to arrival. Team meetings will be held on the following Mondays...June 15, July 13, August 17, and September 21. **These meetings will occur on Monday evenings and must be a priority...get them in your calendar.**
 - Jesus' Disciplemaking Ministry model
 - Israeli/Palestinian Conflict - What's the big deal?
 - Historical Geography of the Holy Land
 - Last Minute Logistics - What do I bring...who's on my flight...getting from airport to hotel
- 3. Honoring Behavior -** One of the trip purposes is to understand the political, cultural & religious issues of today. For this reason, all applicants must be honoring and open to learning about all sides of the issues. Your application includes agreeing to be honoring even if you don't have the same point of view. We ask that you show the utmost respect and be willing to learn, and ask questions with grace and love. We understand that the controversy over land is a heated one. Hosanna will intentionally not be taking a stand or preference, but we want you to understand the issues, as you will be interacting with both Israelis and Palestinians.
- 4. Who is this trip designed for –** Primary consideration will be given to workers and leaders currently involved in ministry at Hosanna. We desire participants who will take intentional steps to be involved in Hosanna's MULTIPLY vision as we prepare for the trip and when we return from the trip.

Lodging & Meals

We are staying at tourist-class facilities to keep costs as low as possible, yet still having a quality experience. These are not full service hotels with lots of amenities, but they are clean, safe and have good food. Gloria Hotel in Jerusalem is inside the Old City walls in the Christian Quarter, just steps from shops and sites. Location...location...location! When in the Galilee region, we will stay at the En Gev hotel, located on the eastern shore of the Sea of Galilee. Both hotels have nice buffets for breakfast and dinner featuring both American food and local cuisine. Even for picky eaters, there will be options.

Safety in Israel

We are aware that news coverage frequently portrays Israel as a dangerous place to visit. The U.S. government might even issue travel advisories for Israel. In Steve's experience, such news and advisories seldom match the scene we witness once in the country. Events are typically very localized, but we'd be careful in certain areas in Israel, just as you would be careful in certain areas of Minneapolis. If problems do flare up, our guide is in constant contact with local authorities and makes adjustments to the itinerary to keep us from areas of potential trouble. Steve Hudson, Hosanna Executive Pastor & our tour leader, has visited Israel almost 60 times and has never had any safety issues.

Application: will be available January 15, 2020. If you want to be notified when applications are opened, email Lu Webber at luanne@hosannalc.org and your name will be added to a notification list.
