## Impact Trip

---

### BEMIDJI, MN

June 28-July 2, 2019

\$150 (15-adult)/\$75 (youth 5-14)

Join this student-led, family-friendly Impact Trip to the beautiful northern area of Bemidji! We will be staying and working at Camp Dellwater (just 27 miles north of Bemidji) painting, landscaping, and providing general repair and clean-up for this non-profit camp. We hope to host an outreach with a local church or neighborhood and possibly help building a playground for low-income families in the area (more details will be shared at the team meetings). All skill levels welcome!
