Contractor shall perform its duties on premises approved by HACSB, during HACSB's regular work days and normal work hours and warrants that it shall perform the Work in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. HACSB further acknowledges that Contractor has the right to accept other engagements as long as said engagements do not represent a conflict of interest with respect to the Work or the obligations of Contractor to HACSB pursuant to this Agreement. In connection with Contractor's performance of the Work hereunder, Contractor represents that there exists no actual, potential or appearance of conflict arising out of Contractor's business and financial interests.

ARTICLE 8. Limit of Engagement. This Agreement does not and shall not be construed to create any partnership or agency whatsoever. The Work Authorization shall include and specifically identify the types of services required to perform as part of the Additional Work, all significant material to be delivered to HACSB, the time schedule for completion of the Additional Work, and the price for such Additional Work.

- a. If, in the performance of the Work, Contractor determines that the Work to be performed under this Agreement cannot be accomplished within the estimated work hours, Contractor will immediately notify HACSB in writing of Contractor's estimate of the work hours which will be required to complete the Work. Upon receipt of such notification, HACSB may:
 - i. Authorize Contractor to expend the estimated additional work hours or service in excess of the original estimate necessary to accomplish the Work Authorization (such an authorization not unreasonably to be withheld); or
 - ii. Terminate this Agreement; or
 - iii. Alter the scope of the Work in order to define tasks that can be accomplished within the remaining estimated work hours.

In the event that HACSB fails to notify Contractor within such seven (7) calendar day period, Contractor shall provide a second notice to HACSB requesting a determination. - c. For those Milestones which do not involve delivery to HACSB of identified Deliverables, but which are of a continuing nature, Contractor may submit invoices reflecting a pro-rata cost of the Milestone, less a ten percent (10%) withhold, less any amount previously invoiced. Actual progress payment amounts for such Milestones must be based on at least equivalent services rendered, and to the extent practicable, will be keyed to clearly identifiable stages of progress as reflected in written reports submitted with the invoices.
- d. Upon completion of a Milestone in accordance with the acceptance criteria set forth herein, the full charge for such Milestone, less amounts previously invoiced to HACSB, may be submitted for payment.
- e. In the event that Additional Work is performed pursuant to a Work Authorization, such Additional Work shall be paid by HACSB according to the same procedure set forth above with respect to the Work, unless a different method for payment is specified in such Work Authorization.
- f. Invoices prepared in accordance with this provision will not be submitted more frequently than monthly to HACSB.
- g. In the aggregate, invoices reflecting progress payments will not exceed ninety percent (90%) of the Agreement Price, with the balance to be invoiced upon completion of the Agreement, in accordance with the acceptance criteria set forth herein.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

- (e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.

- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

- (a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
 - (i) Award of the contract may result in an unfair competitive advantage; or
 - (ii) The Contractor's objectivity in performing the contract work may be impaired.
- (b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. - (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

- (ii) The prohibition does not apply as follows:

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. (e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

During the performance of this contract, the Contractor agrees as follows:

- (a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

- (e) The Contractor shall send, to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, the notice to be provided by the Contracting Officer advising the labor union or workers' representative of the Contractor's commitments under this clause, and post copies of the notice in conspicuous places available to employees and applicants for employment.
- (f) The Contractor shall comply with Executive Order 11246, as amended, and the rules, regulations, and orders of the Secretary of Labor.

- (h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

The Contractor shall take such action with respect to any subcontractor or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that if the

Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

17. Dissemination or Disclosure of Information

No information or material shall be disseminated or disclosed to the general public, the news media, or any person or organization without prior express written approval by the HA.

18. Contractor's Status

It is understood that the Contractor is an independent contractor and is not to be considered an employee of the HA, or assume any right, privilege or duties of an employee, and shall save harmless the HA and its employees from claims suits, actions and costs of every description resulting from the Contractor's activities on behalf of the HA in connection with this Agreement.

19. Other Contractors

HA may undertake or award other contracts for additional work at or near the site(s) of the work under this contract. The contractor shall fully cooperate with the other contractors and with HA and HUD employees and shall carefully adapt scheduling and performing the work under this contract to accommodate the additional work, heeding any direction that may be provided by the Contracting Officer. The contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or HA employee.

The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

- (a) In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.
- (b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.

Exhibit C
Additional General Provisions

ADDITIONAL GENERAL PROVISIONS

1. **DEFINITIONS:** The following terms shall be given the meaning shown, unless context requires otherwise or a unique meaning is otherwise specified.
 - a. **Business Entity** means any individual, business, partnership, joint venture, corporation, S-corporation, limited liability corporation, limited liability partnership, sole proprietorship, joint stock company, consortium, or other private legal entity recognized by statute.
 - b. **Contractor** means the Business Entity with whom the Housing Authority of the County of San Bernardino enters into this Agreement. Contractor shall be synonymous with "supplier", "vendor" or other similar term.
 - c. **Firm Price** means the Agreement requires the delivery of products or services at a specific price, fixed at the time of the Agreement and not subject to any adjustment on the basis of Contractor's cost experience in performing under the terms of the Agreement.
 - d. **HACSB** means the Housing Authority of the County of San Bernardino, its employees and authorized representatives, including without limitation any department, agency, or other unit of HACSB.
 - e. **Non-routine maintenance** means duties or tasks that ordinarily would be performed on a regular basis in the course of upkeep of property, but have become substantial in scope because they have been put off, and involve expenditures that would otherwise materially distort the level trend of maintenance expenses. Replacement of equipment and materials rendered unsatisfactory because of normal wear and tear by items of substantially the same kind does qualify, but reconstruction, substantial improvement in the quality or kind of original equipment and materials, or remodeling that alters the nature or type of housing units does not qualify.
2. **COMPLIANCE WITH STATUTES AND REGULATIONS:** Contractor warrants and certifies that in the performance of this Agreement, it will comply with all applicable statutes, rules, regulations and orders of the United States, the State of California and HACSB and agrees to indemnify HACSB against any loss, cost, damage or liability by reason of Contractor's violation of this provision.
3. **CONTRACTOR'S POWER AND AUTHORITY:** Contractor warrants that it has full power and authority to enter into and perform its obligations under this Agreement, and will hold HACSB harmless from and against any loss, cost, liability, and expense (including reasonable attorney fees) arising out of any breach of this Agreement. Further, Contractor agrees that it will not enter into any arrangement with any third party which might abridge any rights of HACSB under this Agreement.
4. **TRANSPORTATION COSTS AND OTHER FEES OR EXPENSES:** No charge for delivery, express, parcel post, packing, cartage, insurance, license fees, permits, cost of bonds, or for any other purpose will be paid by HACSB unless expressly included and itemized in the Agreement.
 - a. Contractor must strictly follow Agreement requirements regarding Free on Board (F.O.B.), freight terms and routing instructions. HACSB may permit use of an alternate carrier at no additional cost to HACSB with advance written authorization of HACSB.
 - b. If "prepay and add" is selected, supporting freight bills are required when over \$50, unless an exact freight charge is approved by HACSB and a waiver is granted in writing and in advance of shipping.
 - c. On "F.O.B. Shipping Point" transactions, should any shipments under the Agreement be received by HACSB in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined by the carrier or carriers with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, contractor, on request of HACSB, shall at Contractor's own expense assist HACSB in establishing carrier liability by supplying evidence that the equipment and/or material was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions.
5. **TIME IS OF THE ESSENCE:** Time is of the essence in this Agreement.
6. **DELIVERY:** Contractor shall strictly adhere to the delivery and completion schedules specified in the Agreement. Time, if stated as a number of days, shall mean calendar days unless otherwise specified. The

quantities specified herein are the only quantities required. If Contractor delivers in excess of the quantities specified herein, HACSB shall not be required to make any payment for the excess goods, and may return them to Contractor, at Contractor's expense, or utilize any other rights available to HACSB at law or in equity.

7. **SUBSTITUTIONS:** Substitution of goods may not be tendered, without advance written consent of HACSB. Contractor shall not use any specification in lieu of those contained in the Agreement, without written consent of HACSB.

8. **INSPECTION, ACCEPTANCE AND REJECTION:**

- a. Contractor and its subcontractors will provide and maintain a quality assurance system acceptable to HACSB covering goods and services under this Agreement and will tender to HACSB only those goods that have been inspected and found to conform to the requirements of this Agreement. Contractor will keep records evidencing inspections and their result, and will make these records available to HACSB during performance of the Work and for three years after final payment. Contractor shall permit HACSB to review procedures, practices, processes and related documents to determine the acceptability of Contractor's quality assurance system or other business practices related to performance of the Work.
- b. All goods may be subject to inspection and test by HACSB or its authorized representatives.
- c. Contractor and its subcontractors shall provide all reasonable facilities for the safety and convenience of inspectors at no additional cost to HACSB. Contractor shall furnish to inspectors all information and data as may be reasonably required to perform their inspection.
- d. All goods to be delivered hereunder may be subject to final inspection, test and acceptance by HACSB at destination, notwithstanding any payment or inspection at source.
- e. HACSB shall give written notice of rejection of goods delivered or services performed hereunder within a reasonable time after receipt of such goods or performance of such services. Such notice of rejection will state the respects in which the goods do not substantially conform to their specifications. If none of these options can reasonably be taken, or if the use of such goods or software by HACSB shall be prevented by injunction, Contractor agrees to take back such goods or software and make every reasonable effort to assist HACSB in procuring substitute goods or software. If, in the sole opinion of HACSB, the return of such infringing goods or software makes the retention of other goods or software acquired from Contractor under this Agreement impractical, HACSB shall then have the option of terminating such Agreement, or applicable portions thereof, without penalty or termination charge. Contractor agrees to take back such goods or software and refund any sums HACSB has paid Contractor.
- e. Contractor shall have no liability to HACSB under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement which is based upon:

 - 1. The Stop Work Order results in an increase in the time required for, or in Contractor's cost properly allocable to the performance of any part of this Agreement; and
 - 2. Contractor asserts its right to an equitable adjustment within thirty (30) days after the end of the period of work stoppage; provided that if HACSB decides the facts justify the action, HACSB may receive and act upon a proposal submitted at any time before final payment under this Agreement.

- b. If a Stop Work Order is not canceled and the Work covered by the Stop Work Order is terminated in accordance with the provision entitled Voluntary Termination, HACSB shall allow reasonable costs resulting from the Stop Work Order in arriving at the termination settlement.
