- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

**Exhibit C**  
**Additional General Provisions**

**Document on Following Page**

**ADDITIONAL GENERAL PROVISIONS**

1. **DEFINITIONS:** The following terms shall be given the meaning shown, unless context requires otherwise or a unique meaning is otherwise specified.
  - a. **“Business Entity”** means any individual, business, partnership, joint venture, corporation, S-corporation, limited liability corporation, limited liability partnership, sole proprietorship, joint stock company, consortium, or other private legal entity recognized by statute.
  - b. **“Contractor”** means the Business Entity with whom the Housing Authority of the County of San Bernardino enters into this Agreement. Contractor shall be synonymous with “supplier”, “vendor” or other similar term.
  - c. **“Firm Price”** means the Agreement requires the delivery of products or services at a specific price, fixed at the time of the Agreement and not subject to any adjustment on the basis of Contractor’s cost experience in performing under the terms of the Agreement.
  - d. **“HACSB”** means the Housing Authority of the County of San Bernardino, its employees and authorized representatives, including without limitation any department, agency, or other unit of HACSB.
  - e. **“Non-routine maintenance”** means duties or tasks that ordinarily would be performed on a regular basis in the course of upkeep of property, but have become substantial in scope because they have been put off, and involve expenditures that would otherwise materially distort the level trend of maintenance expenses. Replacement of equipment and materials rendered unsatisfactory because of normal wear and tear by items of substantially the same kind does qualify, but reconstruction, substantial improvement in the quality or kind of original equipment and materials, or remodeling that alters the nature or type of housing units does not qualify.
2. **COMPLIANCE WITH STATUTES AND REGULATIONS:** Contractor warrants and certifies that in the performance of this Agreement, it will comply with all applicable statutes, rules, regulations and orders of the United States, the State of California and HACSB and agrees to indemnify HACSB against any loss, cost, damage or liability by reason of Contractor’s violation of this provision.
3. **CONTRACTOR’S POWER AND AUTHORITY:** Contractor warrants that it has full power and authority to enter into and perform its obligations under this Agreement, and will hold HACSB harmless from and against any loss, cost, liability, and expense (including reasonable attorney fees) arising out of any breach of this Agreement. Further, Contractor agrees that it will not enter into any arrangement with any third party which might abridge any rights of HACSB under this Agreement.
4. **TRANSPORTATION COSTS AND OTHER FEES OR EXPENSES:** No charge for delivery, express, parcel post, packing, cartage, insurance, license fees, permits, cost of bonds, or for any other purpose will be paid by HACSB unless expressly included and itemized in the Agreement.

  - b. If “prepay and add” is selected, supporting freight bills are required when over \$50, unless an exact freight charge is approved by HACSB and a waiver is granted in writing and in advance of shipping.
  - c. On "F.O.B. Shipping Point" transactions, should any shipments under the Agreement be received by HACSB in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined by the carrier or carriers with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, contractor, on request of HACSB, shall at Contractor’s own expense assist HACSB in establishing carrier liability by supplying evidence that the equipment and/or material was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions.
5. **TIME IS OF THE ESSENCE:** Time is of the essence in this Agreement.
6. **DELIVERY:** Contractor shall strictly adhere to the delivery and completion schedules specified in the Agreement. Time, if stated as a number of days, shall mean calendar days unless otherwise specified. The quantities specified herein are the only quantities required. If Contractor delivers in excess of the quantities specified herein, HACSB shall not be required to make any payment for the excess goods, and may return them to Contractor, at Contractor’s expense, or utilize any other rights available to HACSB at law or in equity.

7. **SUBSTITUTIONS:** Substitution of goods may not be tendered, without advance written consent of HACSB. Contractor shall not use any specification in lieu of those contained in the Agreement, without written consent of HACSB.
8. **INSPECTION, ACCEPTANCE AND REJECTION:**
- a. Contractor and its subcontractors will provide and maintain a quality assurance system acceptable to HACSB covering goods and services under this Agreement and will tender to HACSB only those goods that have been inspected and found to conform to the requirements of this Agreement. Contractor will keep records evidencing inspections and their result, and will make these records available to HACSB during performance of the Work and for three years after final payment. Contractor shall permit HACSB to review procedures, practices, processes and related documents to determine the acceptability of Contractor's quality assurance system or other business practices related to performance of the Work.
  - b. All goods may be subject to inspection and test by HACSB or its authorized representatives.
  - c. Contractor and its subcontractors shall provide all reasonable facilities for the safety and convenience of inspectors at no additional cost to HACSB. Contractor shall furnish to inspectors all information and data as may be reasonably required to perform their inspection.
  - d. All goods to be delivered hereunder may be subject to final inspection, test and acceptance by HACSB at destination, notwithstanding any payment or inspection at source.
  - e. HACSB shall give written notice of rejection of goods delivered or services performed hereunder within a reasonable time after receipt of such goods or performance of such services. Such notice of rejection will state the respects in which the goods do not substantially conform to their specifications. If HACSB does not provide such notice of rejection within thirty (30) days, unless otherwise specified in the Statement of Work, of delivery, such goods and services will be deemed to have been accepted. Acceptance by HACSB will be final and irreversible, except as it relates to latent defects, fraud, and gross mistakes amounting to fraud. Acceptance shall not be construed to waive any warranty rights that HACSB might have at law or by express reservation in this Agreement with respect to any nonconformity.
9. **SAMPLES:**
- a. Samples of items may be required by HACSB for inspection and specification testing and must be furnished free of expense to HACSB. The samples furnished must be identical in all respects to the products bid and/or specified in the Agreement.
  - b. Samples, if not destroyed by tests, may, upon request made at the time the sample is furnished, be returned at Contractor's expense.
10. **WARRANTY:** Unless otherwise specified, the warranties contained in this Agreement begin after acceptance has occurred.
- a. Contractor warrants that goods and services furnished hereunder will conform to the requirements of this Agreement (including all descriptions, specifications and drawings made a part hereof), and such goods will be merchantable, fit for their intended purposes, free from all defects in materials and workmanship and to the extent not manufactured pursuant to detailed designs furnished by HACSB, free from defects in design. HACSB's approval of designs or specifications furnished by Contractor shall not relieve Contractor of its obligations under this warranty.
  - b. All warranties, including special warranties specified elsewhere herein, shall inure to HACSB, its successors, assigns, customer agencies and users of the goods or services.
11. **SAFETY AND ACCIDENT PREVENTION:** In performing the Work under this Agreement on HACSB premises, Contractor shall conform to any specific safety requirements contained in the Agreement or as required by law or regulation. Contractor shall take any additional precautions as HACSB may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected, shall be grounds for termination of this Agreement in accordance with the default provisions hereof.
12. **ACCIDENT PREVENTION:** Precaution shall be exercised at all times for the protection of persons (including employees) and property. The safety provisions of applicable laws, building and construction codes shall be observed. Machinery, equipment, and other hazards shall be guarded or eliminated in accordance with the safety provisions issued by the Industrial Accident Commission of the State of California.

- 13. Contractor shall furnish HACSB with satisfactory proof of the carriage of insurance required, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. Any policy of insurance required of Contractor under this Agreement shall also contain an endorsement providing that thirty (30) days' notice must be given in writing to HACSB of any pending change in the limits of liability or of any cancellation or modification of the policy. All insurance required hereunder shall be issued by a California admitted insurance carrier.

"I am aware of the provision of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

- b. Commercial General Liability Insurance. Contractor, at its own cost and expense, shall maintain personal injury liability and property damage insurance for the entire term of this Agreement in the amount of One Million and No/100 Dollars (\$3,000,000.00) per occurrence. Such coverage shall include, but shall not be limited to, protection against claims arising from, and damage to property resulting from, activities contemplated under this Agreement.
