NEW Enhancements to Pending Website Case Tools

Lincoln is committed to continuously improving our processes to ensure we're providing an excellent experience, and throughout 2018, our partners have already seen many enhancements to the Life and *MoneyGuard*® Pending Case Website. These changes have resulted in many benefits, including driving efficiencies and saving time by increasing the speed in which our partners receive a status update on case requirements and providing new, easier ways to communicate with a Lincoln New Business Associate.

Effective October 18, 2018, Lincoln is pleased to introduce more new enhancements to the Life and *MoneyGuard*® Pending Case website, based on feedback received directly from our partners. These changes will continue to drive efficiencies and improve the pending website experience:

1. **Easier Access to Download a Policy**
2. **Improved Email and Two-Way Communication Tools**

Easier Access to Download a Policy

Effective October 18, 2018, our partners will have the ability to download a PDF of issued policies directly from the Pending List. Previously, the user would be required to click on each policy individually and then click on Policy Details to access the PDF. This new capability will streamline the process for our partners, saving time and enabling quicker access to policies.

The screenshot shows the 'Pending list' interface. At the top, there is a search bar with a 'Search' label. Below it, there are filters: 'All statuses' (checked), 'Select status' (with a plus icon), and a checkbox for 'Show accounts with outstanding requirements from selected statuses'. There is also a dropdown for 'Client Last Name' and a text input field with the placeholder 'Enter a client last name'. A 'GO' button and a 'Reset' link are present.

Below the search filters, the search results are displayed. The title is 'Search results: All' and it shows 'Number of records matching criteria (100)'. There are links for 'PDF', 'EXCEL REPORT', and 'PRINT'. Below these are 'EXPAND ALL' and 'COLLAPSE ALL' links, and a 'Records per page:' dropdown set to '50'.

The main table has the following columns: CLIENT NAME, ACCOUNT, STATUS, PRODUCT TYPE, WRITING AGENT, LAST ACTIVITY DATE, and TARGET/ANNUALIZED PREMIUM. The first three columns are highlighted with a red box. The first row of data shows: + DOE, JOHN, 1234567, ISSUED (with a PDF icon), Life Lincoln LifeElements Level Term 15 2017, DOE, JOHN, 10/18/2017, and \$1,532.00. The second and third rows are identical.

At the bottom of the table, there is a pagination bar showing 'Show 1-50 of 100' and a set of page numbers: 1, 2, 3, 4, 5, ..., 20. There are also 'Prev' and 'Next' navigation arrows.

A callout box with a blue border and white background points to the PDF icon in the 'STATUS' column of the first row. The text inside the callout box reads: 'Click on the PDF icon in the Status column to download the Policy directly from your Pending List'.

Improved Email and Two-Way Communication Tools

In August, Lincoln introduced new email and two-way communication tools within the Pending Details tab on the pending website. The **Send Email** and **Field Response** features offer the ability to communicate directly with the assigned Underwriter or New Business Contact to quickly satisfy any outstanding questions or requirements on a specific case.

Based on user feedback, Lincoln is please to introduce improvements to this experience **effective October 18, 2018**, including:

- **Copy & Paste** ability from an application directly into the Message window
- **Additional Special Characters** can now be used
 - & # \$ % ! ?
 - , (comma)
 - . (period)
 - (dash)
 - ' (apostrophe)
- **Words will wrap** and no longer be split at the end of a line in the comments section for requirements

Send Email

Communicate directly with your assigned Underwriter or New Business Contact to quickly satisfy outstanding questions on a case from the Pending Details tab.

The screenshot displays the Lincoln Financial Group interface. The top section shows 'Billing information' with details: Modal Premium: \$1,200.00, Cash With App: \$0.00, and Target/Annualized Premium: \$1,200.00. The 'Contact information' section lists 'Underwriter: John Underwriter' and 'New Business Contact: Jane NBA'. Both have 'Send Email' and 'Send File(s)' buttons, with the 'Send Email' buttons highlighted in red. A 'Chat With Us (8:00-5:00 ET)' link is also present. Below this, an 'Email message' window is open, showing a message to John Underwriter. The message content is: 'Hi John, I have validated that Smith is the correct spelling for the client's last name on this policy. Please let me know if you need any additional information on this policy. Thanks! Valued Agent'. A callout box points to the message content with the text 'Copy & Paste Special Characters'. The email window includes a 'SEND' button and a 'Cancel' link.

Policy Sale to Life Settlement Company – Tax Impact

The Tax Cut and Jobs Act, which was enacted on December 22, 2017, added certain requirements to the Internal Revenue Code related to reporting life settlement transactions. Lincoln is moving forward to comply with the new rules, which we expect will include tax reporting requirements for life policies sold to a life settlement company, transfers to a foreign person and death benefits on life policies owned by a life settlement company. The new tax rules are effective January 1, 2018. Final details of the tax reporting requirements are not expected until late in 2018.

Specific Life Customer Service letters and forms have been updated to include important disclaimer language to create awareness of the new tax rules. Additional disclosure language includes:

- *“If an ownership change is the result of the sale of your policy, or the transfer to a foreign person, you may wish to consult with your tax advisor, attorney or a representative of the Internal Revenue Service for specific information”.*

For additional questions, please contact Jim Rooney at Jim.Rooney@lfg.com.

Please note, Lincoln’s position regarding producer involvement in viatical and life settlement transactions has not changed. For Lincoln’s current position on producer involvement in viatical and life settlement transactions, please refer to Lincoln Financial Group’s Market Conduct Manual (BJ-8114), available within the Forms tool on our website.

If you are a producer registered with Lincoln Financial Advisors Corporation or Lincoln Financial Securities Corporation as your broker-dealer, and have an approved life settlement outside business activity with one of those firms, and have any questions regarding Lincoln’s position, please contact your Regional Compliance Advisor. **For all other producers, please contact the AML, Fraud & Investigations Unit at EnterpriseServiceAML@lfg.com.**

Secondary Addressee Notification Letters

Lincoln sends out Secondary Addressee Notification Letters periodically to policy owners to inform them of their right to add and/or change a secondary addressee to their policy. A secondary addressee receives copies of grace and lapse notifications, in order to provide policy owners with another layer of protection in case they were to miss any deadlines related to their policy.

Starting October 8, 2018 and on a yearly basis Lincoln provides this letter to its policy owners to adhere to regulatory changes. The language of the letter has been updated to make it both clearer to understand, as well as easier for policy owners to respond, by adding a fax number to return the form.

Policy owners can choose to fill out the form to add/change/remove a secondary addressee to their policy, and mail or fax it back to Lincoln to the specified address. If they do not wish to assign a secondary addressee at this time, there is no action required. If they change their mind at any time, they can contact Lincoln.

For additional questions please contact the Customer Care Center at 1 -800-487-1485.
