

### Sunday's Scripture Focus

Continuing Through Bible Intake • Jude 20-21

### Main Truth:

God's Word is at work in us to build us resulting in our continuation in times of instability.

### The Scripture in Context:

Contend for the Glorious Gospel (vv.1-4) when the world is full of confusion and chaos (vv.5-23) because God, who is worthy of glory, will rescue His people (vv.24-25).

### Points to Consider:

1. The intake of God's Word is necessary for all believers both individually and collectively. (But ye, beloved...)
2. The intake of God's Word is much more than a continual commitment to read the Bible. (Building up yourselves...)
3. The work of the Word is both enabled and motivated by the Gospel of Jesus Christ. (On your most holy faith)

### Responding to the truth:

Are you actively maturing as a Christian as you study God's Word on a regular basis?

Do you have times when you engage in the truths of the Bible with other believers?

Would you evaluate your priorities and see how you might make Bible intake more of a priority in your weekly schedule?

Would you ask God for a greater love for His word?

### For the Week

1. How does studying Scripture together benefit believers/the church in Hebrews 3:12-14?
2. What metaphors does Scripture use to describe itself?
3. What role does the pastor have in the local church in Ephesians 4:11-16?
4. How did Israelite parents teach their children in Deuteronomy 6?
5. How did the first century church respond to Scripture in Acts 2:42?
6. Which study group will you join this fall?

### Daily in the Word Bible reading plan (Week 32)

- Hosea 1-3; Matthew 16
- Hosea 4-6; Psalm 58; Matthew 17
- Hosea 7-10; Matthew 18

### Weekly prayer

I look forward to praying this week with the truths I have heard and are fresh in my heart.

1. I am humbled and thankful that the truth of the Gospel was delivered unto me when I was without Christ.
2. Lord, help me to see you in the Scriptures today.
3. Without your work in me, no maturity can take place, but through you, I look forward to changing for your glory.
4. Lord, I pray for my church family as they study your Word today. I ask that their time in your Word would mature their faith and strengthen us together.
5. Help me to remain faithful today.
