

# 90 days OF PRAYER

The early church prayed.

A lot.

Prayer has continued to be the mark of churches around the world. We pray. That's what we do. Thank you for joining the Menlo Church family in praying for 90 days.

We will pray for ourselves to draw near to Jesus and become more like him. We will pray for Menlo Church and all of her campuses to follow Jesus and his will for our community as we look for a transitional pastor and ultimately a new lead pastor. We will pray for our local and international partners as they bring the gospel in word and deed. And we will pray for our communities, our state, and our world for racial healing, a vaccine for Covid-19, and so much more.

We know and believe prayer matters.

*"It would be of course a low voltage spiritual life in which prayer was chiefly undertaken as a discipline, rather than as a way of co-laboring with God to accomplish good things and advancing his kingdom purposes."*
