### WHO WE ARE AS MOSAIC

Mosaic Christian Church is a rapidly growing church in the Baltimore, Maryland area, with a vision of being **a church for people who don't go to church**. We are first and foremost the church, but we serve and operate in a way that makes sense to people who don't go to church.

We exist to help people Know God, Find Their Crew and Change the World.

The Local Impact Director will pioneer and lead Mosaic's Local Impact efforts, enabling hundreds of people to participate in Kingdom work throughout our city and state so that they live with a bigger view of God and live out a more elevated domestic faith. They will work directly with local organizations where we can partner with them and mobilize the local church through Mosaic to support their efforts through church-wide events and initiatives and ultimately carry over into their everyday lives.

### CORE RESPONSIBILITIES

- Develop and defend the vision of Mosaic's Local Impact efforts churchwide and beyond
- Mobilize and empower a core leadership team that cultivates relationships with local partners and creates open pipelines for service and impact opportunities
- Champion the vision and mission of Local Impact, increasing the church body's capacity for service, sacrifice, and a wider lens of God's work in the world
- Pioneer and facilitate opportunities for the church body to have physical proximity with the physically poor and poor in spirit (James 2, Matthew 25)
- Pursue new partnerships with vetted organizations to address systemic obstacles that offer upward mobility for those in need (we want to give them a fish, but also teach them how to fish)
- Pioneer church-wide initiatives that give every single person in Mosaic a chance to have proximity with the poor, and serve others in marginalized areas and people groups
- Develop and oversee a system and structure for local benevolence requests that align with Mosaic's vision
