The Voice just wasn’t right for me. It stunted me creatively.

Sophie Kinsella is known for writing novels that always have that feel-good factor.

Great to write about nitty-gritty of a relationship

Sophie Kinsella

The prince of darkness has set
his sights on his own son.

The whole film feels a relatively

realities of marriage and what
can happen when things aren’t
gritty of a rela-

If you judge this Ausietic UK doc by
its trailer, you’d assume that its
main draw was Margot
Robbie’s glorious vocal

You never know where
the sun will come up.

Not only is it the best thing
you’ll see this year, it’s the
closest you’ll get to
the real deal. For
Elliott Sanchez, who
directed the film,
