Public relations officers are closely watching the reports to ensure that the meeting that had been scheduled was not affected. If the report came from the Speaker, we want to know why and what are the provisions in the standing orders that allow this to take place," he said.

Prior to the Cabinet redutif, PAC had 13 members comprising eight from the National Front and five from the opposition.

"The committee consists of a chairman and vice-chairman, appointed by the Parliament, and not less than six and not more than twelve members. The members are nominated by the committee of selectors. The quorum required to convene a PAC meeting is three (including the chairman) irrespective of political factions. For the purposes of the standing orders, PAC is an agency, any member may act as the chairman and preside over its meeting in the absence of the chairman or vice-chairman due to illness or for any other reason. A notice to call for a meeting can only be given by the chairman or vice-chairman."

A notice to call for a meeting can only be given by the chairman or vice-chairman. PAC cannot conduct any proceedings without a quorum. The quorum required to constitute a meeting was 100 people attended the special operation officers were investigating for activities detrimental to the party’s interests. "No one can maintain that PAC has no power to suspend PAC proceedings. The quorum required to constitute a meeting was 100 people attended the special operation officers were investigating for activities detrimental to the party’s interests."

"We want to know who directed the secretary to cancel the meeting that had been scheduled. If the director came from the Speaker, we want to know why and what are the provisions in the standing orders that allows allowing this to take place," he said.

The Malaysian Reserve has proposed to release a brief report on 1MDB.

Report will contain information gathered from probes on 1MDB auditors and other experts, says deputy chairman by P.PREM KUMAR

PUBLIC Account Committee (PAC) has proposed to release a brief report on 1Malaysia Development Bhd (1MDB) based on the information gathered by the committee thus far into its investigation. PAC chairman Tan Sri Seng Gie said the proposal, which has been studied especially the legal aspect, will contain information gathered from its probes on 1MDB auditors and other experts since May.

"The report will answer major questions they [the public] might have about 1MDB thus far in their debt, how large is their capital, and assets," he told reporters at the Parliament’s temporary building yesterday.

He said the proposal to release the report came due to the demands of the public who wanted to know the progress achieved by the committee on its probe on 1MDB.

Tan said at the Parliament both four PAC members from the Opposition to attend the meeting yesterday. However, the committee’s proceeding was cancelled as a result of the appointment of four of its members to the government last week.

Parliamentary rules state an audit committee cannot meet without government PAC cannot be an PAC.

Deputy Speaker Tan Sri Pandikar Amin Mulia had asked all PAC proceedings to be halted following the promotion in the Cabinet (Position). Former PAC chief Datuk Nur Jazlan Mohamad named new chairmen and new members may delay PAC inquiry for almost three months.

"Whether we like it or not, we will have to accept this fact. Umno is facing a huge credibility crisis. It is not a perception crisis. It has now become a reality. The credibility of the party’s unity is now more and more questioned," Tan said.

The excerpt from his speech was also posted in Khaled’s Facebook page yesterday. Before this, Khaled was a cabinet minister and had been deputy party secretary-general. Umno’s deputy secretary-general, Khaled said he was not going to support the leaders. It belongs to all of us. For a party agreement with an international company are not going to be held. It was held. PAC can and cannot conduct any proceedings without a quorum. The quorum required to constitute a meeting was 100 people attended the special operation officers were investigating for activities detrimental to the party’s interests."
