

THY KINGDOM COME

21 DAYS OF
PRAYER & FASTING

Dear Friend,

We are so excited you have decided to participate in the first of three special seasons of prayer and fasting during 2023. There really is no better way to reset our spiritual compass and bring about the renewal of God's Kingdom (or dominion) we all desire in every area of our lives than through a concerted effort of prayer and fasting.

This season of prayer and fasting is intentionally designed to be flexible so that you can participate at any level. There are multiple entry points for the beginner, the intermediate prayer-er, and even the seasoned veteran, however, the most important thing is that you follow the leading of God as you embark on this spiritual journey.

Whether you have participated in a time of intentional prayer and fasting, or this is a completely new concept, you can start WHERE YOU ARE and experience what God has in store for you in a powerful way over the next 21 days.

It is the prayerful desire of our staff that you will experience the presence, power, joy, and love of God in an extraordinary way as you set aside dedicated time to be with Him over the next twenty-one days.

Just imagine what God could do in your life, your family, your health, your church, your finances, your school, your marriage, your neighborhood, and your community, if you commit yourself to Him over the next three weeks?

May God continue to bless you, enlarge your spiritual life, and expand His Kingdom as you seek Him first!
